191 Yonge Street,

We have 10,000 Booklets and Christmas Cards that cost in a lot of 100,000 from 5c. to 20c. each. They cover all new designs and we have divided them into 2 lots, your choice for 5c. and your choice for 10c. These have usually been sold from 10c. to 50c. each. A good time to get a fine thing for a little money. We have 200 bird cages, and we have reduced the price, 39c. up to 98c. for painted, and 89c. up to \$1.99 for best, usually sold for \$2.00 up to \$5.00. Give your bird a Merry Christmas.

Our supply of fine baskets, work boxes, manicure sets, comb, mirror and brush sets in leather and plush was never as good before, and we offer them at half regular prices. In toys you must come and see—our windows tell you something in this line—and in dolls' values, we have sold for many days an average of 100 to 200, but we have a great supply; see them, certainly, not half what dealers usually think they must get for them. To-day will be a Bargain day with us to be remembered. Lamps 14c., usually 25c. We have made a special purchase of vases, filled with the finest of teas. The vases are of rare beauty and could not be imported for less than \$1.50. We shall close out two cases of them at 89c. each. To-day, in goods wanted all the year round, we will sell two splendid brooms of choicest corn for 25c., or 13c. each. Do not forget we sell a \$45.00 to \$60.00 sewing machine for two weeks for \$17.00 each, and if you are ever to want buy now. Space is up. Come and see. W. H. BENTLEY.

Manual of Punctuation

AND SOME

**TYPOGRAPHICAL
MATTERS . . ***

Designed for Printers, Students, Teachers, and Writers, by

JAMES P. TAYLOR

This little book of eighty-two pages aims to make every student of it an adept in the art of punctuation, and we do not think we claim too much for it when we say that it will accomplish all it aims to.

The exercises, one or two excepted, have not been taken from any work on the subject, but from every outside source that provided the best for illustrating the subject. Many have been taken from the School Readers; and it is believed that they are sufficiently numerous and well chosen to afford all necessary assistance to aspirants for proficiency in this much neglected art.
