Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from cures of many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses. Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of encephalic or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is a valuable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and at length, cure, by the use of this Sarsaparilla: *Itch, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears,* and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as *Dyspepsia, Dropsical Swelling, Rheumatism, Neuralgia, Heart Disease, Weakness of the Eyes, Neuritis, and the various Uterous affections of the muscular and nervous systems.* Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhoea or Whites, Uterine Ulcerations,* and Female Diseases, are completely cured, and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism and Gout,* when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaint, Torpidity, Congestion or Inflammation of the Liver, and Jaundice,* when arising, as they often do, from the rankling poisons in the blood. This Sarsaparilla is a great restorer for the debilitated and worn of the system. Those who are *Languid and Listless, Dependent, Sleepless,* and troubled with *Nervous Agitations or Fears,* or any of the affection symptomatic of *Weakness, Irritability, and* other ailments, will find immediate evidence of its restorative power upon trial.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white, cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
