

VILLE MARIE LOTTERY.
 THE BOARD OF DIRECTORS has thought it proper, at the request of its Agents, to postpone the day chosen for the drawing until the First of October next.
 All the Agents of the Lottery are requested to send in their reports to the undersigned from this date to the Fifteenth of September next ensuing, the reason that at that date all tickets, the report whereof shall not have been made, shall be sold to other parties.
 Consequently all persons who have purchased tickets must make themselves sure, either by referring to the *Nouveau Monde*, or by addressing themselves to the undersigned, if their numbers are entered in the registers, for otherwise they shall not take part in the drawing; and it is for the purpose of allowing time to the holders of tickets that the drawing is postponed, so as to give the least rise possible to criticism.
 An official list of all winning numbers shall be sent to all holders of tickets immediately after the drawing, which shall definitely take place on the first of October, 1873.
 (By order,) G. H. DUMESNIL, Manager.

It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. DE LA SALLE INSTITUTE,
 Nos. 18, 20 & 22 Duke Street,
 TORONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS.
 This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.
 Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.
 The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-developed playground and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.
 The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care.
 The system of government is mild and paternal, yet firm in enforcing the observance of established discipline.
 No student will be retained whose manners and morals are not satisfactory: students of all denominations are admitted.
 The Academic Year commences on the first Monday in September and ends in the beginning of July.
