

As all bonnets (says a writer in Notes and Queries) take, it is admitted, five minutes to put on, and as in practice it is found that most of them require considerably more than that time, husbands in waiting will do well to follow the example of the Chancellor d'Aguesseau, who finding that his wife always kept him waiting a quarter of an hour after the dinner bell had rung, resolved to devote the time to writing a book on jurisprudence, and putting the project in execution, in course of time produced a work in four quarto volumes.

ANOTHER OF THE GOOD LADIES OF OUR CITY TESTIFIES TO THE EFFICACY OF DR. McLANE'S CELEBRATED VERMIFUGE, PREPARED BY FLEMING BROS., PITTSBURGH, PA.

New York, February 7, 1857. I do hereby certify to the public, that a child of mine, four years old, being troubled with worms, I was induced to purchase a bottle of Dr. McLane's Celebrated Vermifuge, prepared by Fleming Bros., of Pittsburgh Pa., which I administered; and the result was, it brought away an immense number of worms in bunches and strings; many had the appearance of being cut to pieces. My child is now enjoying most excellent health. I take pleasure in recommending it to both young and old, as one of the best medicines I ever used.

PROSPECTUS OF A NEW TRI-WEEKLY MONTREAL NEWSPAPER, DEVOTED TO News, Literature, and General Politics, TO BE CALLED "THE NEW ERA." EDITED BY THOMAS D'ARCY MCGEE.

MANY friends of the gentleman who is to be the principal Editor of "The New Era" having strongly encouraged him to enter the field of Journalism, in Canada, it devolves on him briefly to explain on what principles the new Paper is to come before the public.

It is to be called "The New Era," as an indication of the time of its birth. This magnificent Province has evidently arrived at such an era—steam by land and sea; the sub-Atlantic Telegraph; the probable annexation to Canada of a habitable region, larger than France and Austria combined; are facts which must give their own character to the times in which they occur. In the onerous future, which is to see the fair promises of the present fulfilled or marred, Journalism will play an important part; and we desire to have some share, however small, in the labors and duties it imposes.

Public interests are, commonly, either of a religious or of a political nature, and we shall briefly state our views of both:—

Questions strictly, or mainly, religious—unless forced upon the Press, under political or partizan pretences,—ought, it seems to us, to be carefully avoided by the secular journalist. But, as of all Freedom's gifts to man, none is so dear as the free domain of his own conscience, we shall cordially concur with whatever party in the Province can give the best guaranty that the freedom of conscience, which now so happily characterizes Canada, shall be perpetually preserved.

For the Politics of "The New Era," we can only say, in general, that we mean to make them such as may best harmonize with the interests of United Canada. Independence of dictation is essential to the credit and usefulness of Journalism, and we shall not hesitate to approve, nor to oppose, particular measures, because of the personality of their authors, whether in or out of office. To be governed by a genuine liberality, and to cultivate the same feeling in the hearts of our readers, will be our chief aim in dealing with every question of the day. By this declaration we desire to be judged hereafter.

Although the salutary custom of the Canadian Press preserves the anonymity of its writers, it may not be unbecoming for us to say that our readers may expect regular, or occasional, contributions from Dr. SHELDON MACKENZIE, now of New York; Mr. EDW. WHITTY, of the London Press, author of "Political Portraits"; Mr. EDWARD HAYES, Editor of the "Irish Ballads," now in Australia; and some other friends and correspondents, whose names are not so much public property as those of the gentlemen just named.

"The New Era" will be printed upon a fine paper, and will contain 28 columns, of which at least ten columns will be reading matter. It will appear on the morning of each Monday, Wednesday, and Friday, and will be conducted solely on the Cash principle. No subscription can be taken for less than six months, and a month's notice being given of the close of the term, no paper can be sent after the subscription expires.

AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

FRANKLIN, MASS., 20th Dec., 1855. Dr. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectoral. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EMBY KNIGHT, M.D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

BRODER AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people. HENRY CONNELL, M.D.

AMOS LEE, Esq., Montreal, N. Y., writes, 3d Jan., 1856: "I had a tedious influenza, which confined me in doors six weeks; took many medicines without relief, finally tried your Pectoral by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisis, and Bronchitis. WEST MASSACHUSETTS, Pa., Feb. 4, 1856. Sir: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARIS, Merchant.

A. A. RAMEY, M. D., ALBANY, MONROE CO., IOWA, writes, Sept. 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtue of this remedy is found in its effects upon trial. Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856. DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We tried his kindness, as we do your skill, for she has recovered from her illness, and is now as strong as she used to be, but is free from her cough, and calls herself well. Yours, with gratitude and regard, ORLANDO SHELBY, OF SHELBYVILLE.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its use will soon speak the high merits of its virtues.—Phthisis Leger.

Ayer's Cathartic Pills. THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have cured all cases of constipation, and the ordinary ailments of men, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the bowels, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the everyday complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of fraud. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of their remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men. The Agents below named is pleased to furnish genuine American Allopathic, containing directions for their use, and certificates of their cures of the following complaints:—

Constipation, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full Stomach, Nausea, Indigestion, Morbid Irritation of the Bowels, and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an emollient Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Scourging and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not put off by unprincipled dealers with some other pill that makes no profit on you. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid that is to be had, and they should have it.
