COE'S SUPER-PHOSPHATE OF LIME,

AB A MANURE FOR FLAX.

WARDEN, SHEFFORD Co., C.E., Sept. 22, 1864.

Letter from Mr. Selby Lee, Proprietor of Flax-dressing Mill.

Mr. Andrew Cos, Montreal: Dear Sir, Mr. P. A. Curtis, of this place, obtained of me last spring some of the Super-Phosphate of Lime I had of you, and tried it upon Flax, using about one barrel per acre, without manure of any other kind. The field, which was rather poor land, had been in grass for several years, and was broke up in the Spring. The Phosphate was sown broadcast and barrowed in with the seed. A strip of about three rods in width was left through the centre of the field, without Phosphate. From the first appearance of the Fiax, to its maturity, the difference was so strikingly in favor of the Phosphate as to call torth enquiry and remark from all who saw the field. The Flax was of dark-green color, the growth vigorous and rapid, and the yield at least one third more; while without the Phosphate, it was of pare green color-smaller, and in all respects inferior. I send you a fair average sample

of each. Another consideration-and one which is worth the attention of Flax Growers generally, is: that in enriching the soil with Phosphate-no seeds of noxious weeds are deposited, as is the case with ordinary farm manure, and the Flax in growing, covers the whole ground, without admixture of grass or

weeds, which are so troublesome in the crop.

I intend to raise a large number of acres next year, and to use the Phosphate upon all of it, being satisfied that I cannot obtain so good a crop at so small a cost in any other way. I am respectfully yours,

SELBY LRE. Proprietor of Flax-dressing Mill. For sale by Law, Young & Co, Lymans, Clare & Oo., Devins & Bolton, Wm. Evans, and merchants in every county.

WHO IS N. H. DOWNS? -He is, rather, was a public benefactor, a philanthropist. He is now dead, but he has left behind him a monument more lasting than brass or marble. His memory is enshrined in the hearts of a grateful people, and his Balsamic Elixir is or ought to be a household treasure in every family. It is a certain cure for coughs and colds. COMPLEXION. -It is an impossibility for any person afflicted with a diseased liver, or with any disorder of the digestive organs, to have a good or clear complexion. "HOUFLAND'S GERMAN BIT-TERS" will remove all disease from the liver and digestive organs, and, by thus giving health and strength to t ess organs, remove that sallowness of appearance and roughness of the skin noticed in so many. These Bitters are prepared by Dr. C. M. Jackson, Philadelphia, Pa., and sold by all druggists and dealers in medicines.

Through a trial of many years and through every nation of civilized men, AYER'S CHERRY PECTORAL has been found to afford more relief and to cure mure cases of pulmonary disease than any other remedy known to man-Cases of apparently settled Consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid have been restored to their friends and usefulness, to sound health and the enjoyments of life, by this allpowerful antidote to diseases of the lungs and throat. Here a cold had settled on the lungs. The dry backing cough, the glassy eye, and the pale, thin features of him who was lately lusty and strong whisper to all but him Consumption. He tries every thing; but the disease is gnawing at his vitals, and shows its fatal symptoms more and more over all his frame. He is taking the CHERRY PECTURAL now: it has stopped his cough and made his breathing easy: his sleep is sound at night: his appetite returns, and with it his strength. The dart which pierced his side is broken. Scarcely any neighborhood can be found which has not some living trophy like this to shadow forth the virtues which have won for the OHERRY PECTORAL an imperishable 1enown But its usefulness does not end here. Nay, it accomplishes more by prevention than cure. The countless colds and coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases. Influenza, Croup, Bronchitis Houseness, Pieurisy, Whooping Cough, and all irritations of the throat and lungs are easily cured by the CHERRY PECTORAL if taken in season. Every family should have it by them, and they will find it an invaluable protection from the insidious prowler which carries off the parent sheep from many flock, the darling lamb from many a home. Prepared by Dr. J. C. AYER & Co., Lowell Mass.,

and sold by all druggists and dealers in medicine. J. F. Henry & Co. Montreal, General Agents for February, 1865.

WISTAR'S BALSAM

WILD CHERRY

Has been used for nearly HALF A CENTURY,

With the most astonishing success in Curing Coughs, Colds, Hourseness, Sore Thront, Influenza, Whooping Cough, Croup, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of

THE THROAT, LUNGS AND CHEST, Including even

CONSUMPTION.

There is scarcely one individual in the community who wholly escapes, during a season, from some one, however slightly developed, of the above symptoms - a neglect of which might lead to the last named, and wost to be dreaded disease in the whole catalogue The power of the 'medicinal gum' of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired.

In this preparation, besides the virtues of the Cherry, there are commingled with it other ingredients of like value, thus increasing its value ten

fold, and forming a Remedy whose power to soothe to heal, to relieve, and to care disease, exists in no other medicine yet discovered.

CERTIFICATE FROM L. J. RACINE, Esq., of the Minerve :-

Montreal, C.E., Oct. 20, 1858.

S. W. Fowle & Co., Boston-Gentlemen,-Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly affect. ed with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsum can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy par excellence.

> Your obedient servant, L. J. RACINE. CURE FOR WHOOPING COUGH.

St. Hyacinthe, C.E., Ang. 21, 1856.
Messrs. Seth W. Fowle & Co, - Gentlemen - Several months since a little daughter of mine ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her scemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wister's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balfects, but the limited sam to many of my neighbors, who have and it, and space of this Adver. in no case have I known it fail of effecting a speedy tisement will only ad- cure.

You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great configurations. dence in it .- Yours, P. GUITTE,

Proprietor of the Courier de St. Hyucinthe. CERTIFICATE FROM A WELL-KNOWN CITIZEN OF CORNWALL.

Cornwall, C.W., Dec. 29, 1859.

Messrs. S. W. Fowle & Co., Boston - Gentlemen -Having experienced the beneficial results of Dr. Wistar's Balsam of Wild Cherry, in my own peason and with other members of my family, in cases of severe coughs and colds, I unhesitatingly give you my testimony, believing it to be the remedy 'par ex-cellence' for all diseases of the throat and chest, and would sincerely recommend it as such .- Yours, &c., JOS. TANNER.

FROM A HIGHLY RESPECTED MERCHANT AT PRESCOTT, C.W.

I with pleasure assert that Dr. Wistar's Baisam of Wild Cherry, is, in my belief, the best remedy before the public for coughs and pulmonary complaints. Having tested the article with myself and family, in cases of severe coughs and colds, for years, with uniform and unexceptionable success, I unbesitat ingly recommend it with full confidence in its merits
