Mercantile Summary.

On the 8th inst., at Chubb's Corner, St. John, N.B., \$1000 four per cent. bonds, due 1895, sold at 6½ per cent.

THERE are many of his friends in Canada who will regret to learn of the death of Mr. Robert Kerr, senior member of the spool cotton manufacturing house of Kerr & Co., in Paisley, Scotland.

LADY—"I'm getting tired of modern fiction, can't you recommend me a good exciting standard work?" Librarian—"Have you read the Last Days of Pompeii?" Lady—"No; I believe not. Can you tell me what he died of?" Librarian—"An eruption, I believe."

NOTHING daunted by the fate of the big cigar-shaped timber raft, work is said to be progressing favorably on the Joggins timber ship. The timber is being rapidly placed on the ground and in a few days the "keel" will be laid. It is thought that the 10th of May will see the ship ready for launching.

THE British American Land and Investment Company, with head office in this city, is applying for an act of incorporation. Its capital stock will be \$500,000 and the names appended to the application are: T. Long, Collingwood; T. Milburn, Toronto; C. Cameron, Collingwood; J. J. Long, Collingwood; T. R. Earl, Toronto, and S. Weslie, Barrie.

COMPLAINTS having been made to the Attorney-General of Manitoba that a number of officials in his department do not pay their store bills, a circular letter has been issued by him, gently hinting to the delinquents that such a state of things is not creditable to the government and expressing the hope that it will not be necessary to take stronger measures to remedy the evil. We know of several other cities in which the long-suffering store keeper would rejoice to see similar steps taken to retrieve the fair name of the government—and his past-due accounts.
