**Mercantile Summary.**

THE Dominion Cotton Mills Company declares a quarterly dividend of two and a half per cent.

LOUIS GIBOUX, who started in the grocery line at Berthierville only in the spring of 1890, has assigned to a Montreal accountant. Liabilities are small.

We note the appointment of Mr. G. R. F. Kirkpatrick, accountant in the Imperial Bank at Calgary, to the management of the branch of that bank at Edmonton.

THE Cornwall mill, at Whatcom, B.C., is now cutting 100,000 feet per day and has over 2,000,000 on hand ready to load in anticipation of the arrival of two vessels from Chili.

ST. JOHN'S customs receipts for August were \$70,495 as compared with \$82,988 in the previous August; and her inland revenue returns were \$25,966 as compared with \$16,326.

WM. QUICK has been in business as a grocer in Bowmanville for several years, but seems to have made little if any progress. He now makes an assignment. So does Geo. Howich, grocer at Hamilton. Creditors will get a very small dividend, if any.

A MARBLE dealer at Farran's Point, Ont., named Joseph Stubbs, is reported failed. Unbusinesslike habits the cause; liabilities are small.—W. J. Church, a builder in a small way at Ottawa, is also reported insolvent.

VICTORIA is agitated about a new hotel for that city, and we can quite understand that the increasing tourist travel to that delightful capital of British Columbia renders such an enterprise very desirable. The Times contends, and with reason, that the water-front of the city is not the best place for its site.
