

In reading over the literary items of the week, I found not much to interest me, until my eye caught sight of an article headed "Jenks' Dream." Imagine my surprise to find it ended up with a recommendation to use Dr. Pierce's Pleasant Pellets. Nevertheless, being a great sufferer from sick headache, I determined to try them, and, to my great joy, I found prompt relief, and by their protracted use, a complete immunity from such attacks. Pierce's Pellets often cure sick headache in an hour. They are gently laxative or actively cathartic, according to size of dose. As a pleasant laxative, take one each night on retiring. For adults, four act as an active, yet painless, cathartic. Cause no griping or sickness. Best Liver Pill ever made. Smallest, Cheapest, Easiest to take. For Constipation, Indigestion and Bilious Attacks, they have no equal.

Drink St. Leon for Indigestion

It is not what we eat but what we digest that nourishes the body. If our digestive powers are weak, we must take something to strengthen them. If you drink St. Leon Water, you may eat anything in the shape of food and you will not have indigestion. If you drink St. Leon after meals it will cure indigestion. A good trip to take during the summer months is down to St. Leon Springs where there is a fine hotel in connection, managed by Mr. M. A. Thomas of Toronto. Hotel opens June 15, when everything will be in first-class order. Mr. Thomas is there now overseeing the preparations. Come one, come all and he will do you good.

CANADIAN INDIAN RESEARCH AND AID SOCIETY.

The Annual Meeting of the C. I. R. A. S. and the Indian Conference which were to have taken place in Toronto on May the 14th and 15th have been postponed till September next.

The local committee of arrangements met in Toronto on March 30th, and it was then decided that September being Exhibition month, and travelling rates consequently more reasonable, also Indians being better able to leave their farms at that time than in May, it would be a far better and more convenient time for holding both the Annual Meeting and the Conference.

Reddaway's Solid Woven "Patent" CAMEL-HAIR BELTING

Is as straight and as uniform in section and density as it is possible to make a belt. After working some time, the wearing faces of Camel Hair Belts obtain a smooth, finished appearance, and grip firmly; not fray on the edges; might be cut up the middle with a saw, and the two narrow belts so made set to work again; have but one joint, and being of uniform thickness throughout will run with remarkable truth, and do very heavy work; is the only satisfactory belt in wet places, in Dye Houses, Refineries, in steam, water, or great heat.

Breaking strain of 6 in. Camel Hair Belt is 14,181 lbs. Breaking strain of 6 in. Double Leather is 7,522 lbs.

We caution users against spurious makes of belting offered under deceptive names, intending to convey the idea that it is our Camel Hair Belting.

CAMEL HAIR BELTS are unequalled for "Dynamo," Saw Mills, Paper Mills, Pulp Mills, Dye Houses, Sugar Refineries, Cotton Mills, Woolen Mills, Machine Shops, Agricultural Machines, Pumping Machinery, and Main Driving generally.
