Magistrate: Now then, McCarthy, no prevarication. Tell me all that passed between you and the defendant. McCarthy: Brickbats, yer honour—just brickbats.

"This parrot I can recommend. He has only one fault; he makes a terrible row if he does not get his dinner promptly." Widow: "I shall take him. He will remind me of my late husband."

The season of green fruits and summer drinks is the time when the worst forms of cholera morbus, diarrhoea and bowel complaints prevail. As a safeguard Dr. Fowler's Extract of Wild Strawberry should be kept in the house. For 35 years it has been the most reliable remedy.

A "Lord of Creation": A hen-pecked husband called the servant-maid aside and said: "Look here, Robustina, I am told that my wife and daughters are planning a trip to Biarritz; do you know whether I am going with them or not?"

Do you read the testimonials published in behalf of Hood's Sarsaparilla? They are thoroughly reliable and worthy your confidence.

Captain Carraway says the stingiest people live in Florida. "There is a man down there," says the gay and festive captain, "who is so stingy that he uses a wart on the back of his neck for a collar-button."

A Specific for Throat Diseases.—Brown's Bronchial Troches have been long and favourably known as an admirable remedy for Coughs, Hoarseness and all Throat troubles.

"My communication with the world is very much enlarged by the Lozenge, which I now carry about in my pocket; that trouble in my throat (for which the 'Troches' are a specific) having made me often a mere whisperer." N. P. Willis.

Obtain only Brown's Bronchial Troches. Sold only in boxes. Price, 25 cents.

A doctor paid a visit to a carpenter's house a few days ago, and found the carpenter employed at the wheels of a cart on which he was rubbing some putty before he would paint them. "Well, Pat," said the doctor, "putty and paint hide many a spot you cannot mend." "Yes," said Pat, "but not so many as spade and shovel hide for you."

DON'T YOU KNOW

That to have perfect health you must have pure blood, and the best way to have pure blood is to take Hood's Sarsaparilla, the best blood purifier and strength builder. It expels all taint of scrofula, salt rheum and all other humors, and at the same time builds up the whole system and gives nerve strength.

Hood's Pills may be had by mail for 25c. of C. I. Hood & Co., Lowell, Mass.

The microscopic fidelity of the country editor in reporting local events was illustrated the other day by an Ohio paper which had the following paragraph: "On Wednesday of this week a strange man walked through the main street of our village. His name did not transpire. P. S.—We open the forms to state that his name was George Washington Smith, and the end is not yet."

A Terrible Case of Suffering.—The dreadful suffering of a man with Cholera Morbus, was painfully illustrated in New York, a few days ago, when an individual from the rural districts, who had been filling himself with all sorts of good, but indigestible things, was struck down on Broadway, and had to be carried into a hotel, where two doctors worked him for an hour before he was out of danger. A teaspoonful or flannel cloth saturated with the medicine of Perry Davis' Pain Killer, and a flannel cloth saturated with the medicine, and applied to his stomach, would have relieved him almost instantly.
