

DANGER LURKS IN DUST

GERM-LADEN dust is responsible for much sickness. Remove the dust and you eliminate the possibility of it doing harm.

STANDARD Floor Dressing

Dust cannot rise from floors treated with Imperial Standard Floor Dressing. It holds dust so that it can be swept out of the room and carried away.

Imperial Standard Floor Dressing will not evaporate or gum up. It preserves the surface of wood, linoleum or oilcloth, as well as cleaning it.

One gallon will cover 500 to 700 square feet of floor space and last for several months without further dressing.

Sold in one and four gallon cans; also half-barrels and barrels.
