PIE FOR VARSITY

VARSAITY WINS CHAMPIONSHIP

Defeat Ottawa By Score Of 29-13 In Hotly Contested Game

GOOD ORGANIZED ROOTING

Superior Tactics And Better Team Work Decided Game

SATURDAY'S RUGBY RESULTS.

Varsity	29	Ottawa College	13

R.M.C.	13	Varsity III	10
Varsity II	19	R.M.C.	17

Hurrah! Hurrah! We are Champions again.

Once again the premier honors in inter-collegiate football lie at the feet of the University of Toronto. On Saturday at the Stadium, before a crowd of 11,000 and upwards, Ottawa College fell before the superior tactics and all-round team work of the wearers of the Blue and White.

Not for four years have Ottawa had a team that has been worthy of a place in the Union; but this year the unexpected happened, and after a hard up-hill fight they tied with Varsity. Saturday was the crucial game—a win for either team meant the championship of the Union; and with it, the almost certainty of the Dominion honors and the Earl Grey Cup.

Only one man of the famous light-weight team of 1907 played Saturday—that was Harrington, the stellar middle-wing; but another name should not be forgotten—that of Father Staunton, the famous coach. This reverend and genial gentleman learned the game in the good old days when the annual play-off—Rough Riders vs. Ottawa College—was a regular race riot—and a fight to the death. Father Staunton has perhaps but one peer in the coaching business; and with only a small student body to draw from, he has developed a team young in age, and light in weight—of sufficient speed and merit to take one fall out of Varsity this year—and it seemed at times almost a second.

While, however, we are lauding Father Staunton and College to the skies, we must not forget that Dr. Wright and Capt. Maynard had an almost identical task before them this year. With but the shattered remnants of last year's Canadian Championship team, they have built around this nucleus one of the fastest and trickiest teams that ever courted fame on the football field. They have developed a line of defence that is well nigh impregnable. The wings tackle like fends—"hard and low and often" is their slogan and they live up to it.

But it is in their offensive work where

CROSS COUNTRY RUN

Won By Varsity In Good Time Over Heavy Course

The Inter-university Cross-country Run was held at Toronto, Saturday. The result was a win for Toronto University. The points made were: Varsity, 17; McGill, 27; R.M.C., 42; Queen's, 61. The Varsity team was composed of H. Campbell, G. R. Elliot, P. J. Dykes, H. S. Hayes, C. V. Perry.

The first eight men to finish were: 1, Campbell, Varsity; 2, Playter, R.M.C.; 3, Dykes, Varsity; 4, Sproule, McGill; 5, Kerr, McGill; 6, Elliot, Varsity; 7, Perry, Varsity; 8, Murray, McGill.

The course of eight miles was hilly and muddy, so that the time made, (45.53 1-5) was very creditable, this was six minutes better than last year.

the team really scintillates. Pete Campbell is probably the finest quarter-back that ever donned moleskins in Canada; Green is a magnificent punter, and speedy runner; Al Ramsay is as hard to stop as a freight-car running down grade; and Jack Maynard is the greatest dodger and side-stepper, and as fleet a man as ever Varsity had on a team. Fleet of foot everyone of them; each with a sure pair of hands; and good punters all—this is a quartet that has gained more yards by combination than any other in history. It is, "Campbell to Maynard to Ramsay to Greene, and another touch-down for Varsity."

NOTES ON THE GAME.

It is too bad there were not fourteen Corneliers on the Ottawa team. A few of that breed would help a whole lot toward winning a championship.

Messrs. Harry Griffith, Scotty McKay and Christie were discovered after the game doing a war-dance behind the bleachers; Jack Galbraith was beating time against the woodwork with a length of lead-pipe.

"Oh! for night or Blucher?" sighed Father Staunton as the score rolled higher. Knight was there all right, but Blucher failed to put in an appearance.

Mel Brock says thanks to everybody. Organized rooting is decidedly not a failure when everybody swings in.

In the third quarter Varsity gained yards four times in succession on fast work by Hayard, Ramsay and Maynard. After that, Ramsay kicked on the first down just to break the monotony.

Bob Grass looks very well in the grandstand, but here's hoping to see him again on the field before the season closes.

Ain't it queer how popular the camera men are with the crowd? I guess we all like to be mugged, more or less.

FEDERATION OF FREE NATIONS

Dr. MacDonald Pictures World Empire of English-Speak- ing Races

At the open meeting of the Victoria College Union Literary Society, held in the Chapel, Saturday evening, a very interesting programme was presented.

Mr. E. Jules Brazil, musical director at St. Michael's College, Mr. Holgate, '12, and the Victoria Male Quartet, all rendered very acceptable numbers, which were heartily enjoyed. Dr. Bell, the chairman and Honorary President of the Society, then introduced Dr. McDonald, the speaker of the evening.

The subject of his address was "The place of Canada in the English Speaking World." The doctor stated as his belief, that the time was not far distant when all the English speaking countries would be united into one Empire. A League of Free autonomous nations encircling the globe.

This Empire he compared to a gigantic hand. The fingers of which are free and independent but which converge into the palm, forming a united whole. And not only does Dr. McDonald believe that the British overseas dominions will form a part of this federation, but he also deduced several arguments to show that the United States would support such a union to the last dollar, and to the last drop of blood.

He then proceeded to call attention to the great possibilities that lie open to Canada and Canadians in being the nation privileged to initiate such a tremendously important movement; important not only to the English speaking world—but also vitally affecting world-wide politics.

It is needless to say that the address was greatly appreciated by the large number of students present and a vote of thanks moved and seconded by Messrs. Zimmerman and Buchanan was unanimously passed with much applause.

During the business session the Government was defeated on a bill dealing with the matter as to whether or not the students should march *en masse* to Massey Hall on Tuesday evening to the Liberal Rally. As a result, Mr. F. G. Buchanan has been called on to form a government.

Altho' it has not been officially announced a guess at the probable cabinet is as follows—Messrs. F. G. Buchanan, D. F. Gray, Hugh Beaty, H. Taylor, H. T. Bently, R. C. Scott, W. B. Wiegand, A. L. Smith, T. D. Wheeler, A. M. Horner, and E. E. Pugsley.

GREATEST WORK DONE OBSCURELY

World's Real Business Done By Unknown Men—College Sermon

Despite yesterday's inclement weather, a large congregation was present to hear Mr. Robert E. Speer, deliver a forceful address at Convocation Hall.

The speaker took as his text, Mat. 25-44—"Lord when sawest thou me?" The speaker stated that a man's greatness lay in his early obscure years, when the foundations of his character were being laid—his public services were merely inevitable corollary. It was so with great movements, with all history, with Life itself. Men object to Christianity, owing to its humble beginnings, but we forget that everywhere in all time, "it is by this spirit of anonymous work that the world's real business is done." Let us apply this lesson to ourselves, the speaker said, let us identify ourselves with the great moral forces of the universe and thus make our lives count. As examples he told, relatively small is the work of the British government in India compared with the silent influence of the missionaries. And again, "compared with the work of the teacher, what is the legislator doing? How important the undying influence of the man who has stamped his soul upon men!"

Coming to the central thought of his sermon, the speaker said that Life did not lie out in the centre of the stage among the

MISSIONARY CONFERENCE

Held In Belleville—Toronto Delegates Had Special Train

The Inter-Collegiate Missionary Convention was held in Belleville Friday evening, Saturday and Sunday. A large number of delegates were present from the Canadian Colleges. The Toronto delegates left by special train Friday afternoon. The trip to Belleville is described by the Varsity's special correspondent.

The train left Toronto on time with 163 students on board. The students soon began singing and then gave the different faculty yells. Finally parodies on the different colleges to be represented at the conference, especially the Albert ladies, were sung.

A number from Hamilton were the only outsiders on the train and the students rendered the famous Oshy-wa-wa for their benefit. Some football fans, evidently determined to see a good game on Saturday, organized in the baggage car under Bill McQueen, of Knox, and had a signal practice, the intention being to play Queen's Saturday afternoon. When the train stopped at Oshawa to take water, the team had a little work out on the platform, much to the amusement of the crowd who tried various ways to mix the signals.

In order to make the affair complete, a rooters practice was held in one of the cars, and it was easily seen that Mel Brock was without a very important section of noise-makers.

From 3 to 3.15 there were short prayers in every car for the success of the convention. The special arrived in Belleville at 4.20, being considerably ahead of the regular's time.
