### Other e-business resources

The Web has far more sources of information about e-business than can be listed in detail here. Three that you'll find useful are:

- **SourceCAN** – discover thousands of domestic and foreign e-business opportunities. Sign up to research or post bids and/or pursue strategic partnerships with a host of global businesses in this secure online trading environment. Go to [www.sourcecan.gc.ca](http://www.sourcecan.gc.ca).
- **The Canadian e-Business Initiative** – you'll find this at [www.cebi.ca](http://www.cebi.ca). It's a voluntary, private-sector-led partnership that aims to further Canada's e-business success by focusing on productivity, leadership and innovation.
