General Sir Arthur Currie

McGill University
Montreal, Que.

My dear Sir Arthur -

The enclosed is a copy of letter
addressed to your V.D.O. Fraser.

About all I can add is to the effect
that young Doctor Farr is a highly
studious, serious and successful

student. He seeks higher attainment
through your great University. His
father is General manager of the

Imperial Insurance Co., Regina
and a former Professor of Alma
College, London. Ont. The applicant is

sober as well as industrious and
a young man of exemplary character
with kind regards.

Yours faithfully
H. W. W. Stewart
