Dear Mr. Smith,

I am sending you by this mail a copy of the TIMES LITERARY SUPPLEMENT of December 11th last. You may remember that I spoke to you some weeks ago about the leading article, which is a review of the "New Survey of London Life and Labour, Volume 1". You will notice that Mr. L.C. Marsh's name is mentioned towards the end of the article.

I ordered copies of this issue weeks ago, but there has been considerable delay in securing them.

Yours faithfully,

CWS
