It is the intention of the C. P. R. to begin with a fast day service between here and the capital with the very latest equipment for the comfort and safety of the passengers. Altho unmerous stops are to be made at the stations opened up by the new line, the run between here and Ottawa is to be made in 8 hours and 50 minutes, the train leaving the Tominutes, the train leaving the To-ronto union station at 8.05 a.m. daily, and arriving at Ottawa at 4.45 p.m. The west-bound train leaves Ottawa at 10 a.m. daily and arrives at Toronto at 6.50 p.m.

the new line is proving eminently satisfactory, and a vast improvement over the old line. This is due principally to the big difference in the grade in favor of the new line which results in the engines now in use being able to haul 2,200 tons as compared with 1,036 over the old line.

Even this is to be improved upon. It is to be accomplished by the introduction of a type of engine on the new line that will be capable of hauling fifty-five per cent, greater load than that being carried by any of the engines now in use on the Ontario division. Ten of these engines arrived in Toronto yesterday and are to be placed in service immediately.

"Time is money." That is why the "Beler" Automatic Gas Water Heater appeals to men whose time is worth money. No one can afford to bother with appliances that are not dependable; that are not instantaneous. The "Beler" is not limited in its ability to serve.

Open a Hot Water Faucet (tap) in Either Kitchen, Bath-room or Laundry and Hot Water Flows Instantly

A cupful or a bathtubful; one gallon or a hundred gallons; it matters not—"how much,"—The "Beler" is there ready to supply the demand. The Beler shows many and important advantages over any other system. It has the simplest construction, the most pleasing design, and is unsurpassed in durability, economy and efficiency of operation. TORONTO CHILDREN ENTHUSIASTIC OVER "EL PASO JACK"

He Again Meets With Great Reception at Public Schools.

"El Paso Jack" is proving himself to be very adept at making friends, and it is safe to say that he had established a new record for Toronto in forming friendships. Following out his plan of getting acquainted with as many as possible of Toronto's small citizens, Jack yesterday visited the Wellesley Street, Caer-Howell and Ogden (Phoebe street) Schools. As on Thursday, all the children seemed to be delighted with Jack and with his gentie, affectionate disposition. Nothing pleases Jack more than to be with children, and he is therefore having the time of his life in Toronto.
