

## D. DISEASES OF THE METACARPUS.

	PAGE
I. FRACTURES OF THE METACARPUS . . . . .	824
II. WOUNDS AND BRUISES OF THE METACARPUS . . . . .	826
III. RUPTURE OF THE FLEXOR TENDONS AND SUSPENSORY LIGAMENT . . . . .	829
IV. INFLAMMATION OF THE FLEXOR TENDONS (TENDINITIS) AND OF THE SUSPENSORY AND CHECK LIGAMENTS . . . . .	837
V. KNUCKLING IN FOALS . . . . .	851
VI. BENT KNEES IN HORSES . . . . .	855
VII. SPLINTS . . . . .	855

## E. DISEASES OF THE FETLOCK AND DIGIT.

I. LUXATION OF THE PHALANGES . . . . .	864
II. FRACTURES OF THE PHALANGES . . . . .	866
III. FRACTURES OF THE SESAMOID BONES . . . . .	872
IV. SE AMOID LAMENESS . . . . .	873
V. RING-BONE	876
Plantar Neurectomy . . . . .	885
Median Neurectomy . . . . .	888
Ulnar Neurectomy . . . . .	892
VI. SPRAIN OF THE CORONARY JOINT . . . . .	894
VII. OSSIFICATION OF THE LATERAL CARTILAGE. SIDE-BONE . . . . .	897
VIII. FRACTURE OF THE NAVICULAR BONE . . . . .	902
IX. NAVICULAR DISEASE . . . . .	903
X. DERMATITIS IN THE FETLOCK REGION. MUD-FEVER. CRACKED HEELS - GREASE	914
(a) Dermatitis Erythematosa . . . . .	914
(b) Dermatitis Eczematoso . . . . .	914
(c) Dermatitis Gangrenosa . . . . .	917
(d) Dermatitis Chronica Verrucosa . . . . .	920

## DISEASES OF THE HIND LIMB.

## A. DISEASES OF THE QUARTER.

I. INJURIES TO THE MUSCLES AND FASCIÆ OF THE QUARTER . . . . .	924
II. FRACTURE OF THE FEMUR . . . . .	926
III. LUXATION OF THE FEMUR . . . . .	930
IV. INFLAMMATION OF THE HIP-JOINT (COXITIS) . . . . .	932
V. INFLAMMATION OF THE BURSA OF THE GLUTEUS MEDIUS TENDON. BURSITIS GLUTEI MEDI . . . . .	933
VI. PARALYSIS OF THE HIND LIMB	935
A. Paralysis of the Gluteal Nerves . . . . .	935
B. Paralysis of the Great Sciatic Nerve . . . . .	936
C. Paralysis of the External Popliteal Nerve . . . . .	939
D. Paralysis of the Crural Nerve . . . . .	942
E. Paralysis of the Obturator Nerve . . . . .	945
VII. THROMBOSIS OF THE POSTERIOR AORTA AND OF ITS BRANCHES . . . . .	947
VIII. DISPLACEMENT OF THE BICEPS FEMORIS MUSCLE . . . . .	950
IX. HIP LAMENESS . . . . .	925
