Don't Fool with Foods

Glencaira, 159 Friern Road, E. Dulwich.
March 20th, 1900.

Messrs. J. R. Nrave & Co., Fordingbridge.
Dear Sirs,—It is with grea pleasure write to tell you how invaluable I have found your Food. For six months I tried no less than five well-known and advertised Foods, but my baby was unable to digest one of them. Since using Neave's Food I have had no trouble with her, and now at eight months she is perfectly well and contented.

Yours truly, F. A. PEDLEY.

EVANGELIST FOR AMERICA.

Rev. F. B. Meyers Resigns His Pastorate of Christ Church, London. he Rev. Frederick B. Meyer, for the last ine years minister of Christ Church,

Mr. Meyer is to start on a prolonged mission of energetic evangelism, addressed chiefly to the Anglo-Saxon peoples. Calls are constantly coming to him to abandon a fixed pastorate and give to the church at large the benefit of his peculiar power. Since Mr. Meyer returned from his tour in America hundreds of letters have reached him, both from the clergy and the laity, begging a repetition of his efforts in the United States. These entreaties went a long way to bring about his resignation. So closely has he associated England with the United States that the permanent ritual of his church contains a prayer for the President immediately following that of the King and royal family. of the King and royal family.

Greyness Illustrates Age. The significance of the color of hair is often peculiar. Black hair indicates strength and a predominance of the billous temperament.
