A Pleasant Medicine.—There are some pills which have no other purpose evidentity than to beget painful internal disturbances in the patient, adding to his troubles and perplexities rather than diminishing them. One might as well swallow some corrosive material. Parmeiee's Vegetable Pills have not this disagreeable and injurious property. They are easy to take, are not unpleasant to the taste, and their action is mild and soothing. A trial of them will prove this. They offer peace to the dyspeptic.

FROM OLD QUEBEC.

The Historic Capital Furnishes Story of Interest to Many.

The newspapers in and around the City of Quebec are just now relating the story of a well-known Prench-canadian gentleman who for years has been a martyr to Dyspepsia.

The sufferings Mons. Bouchard endured have been beyond the power of tongue or pen to describe. His pains were very severe, so much so that for two years he had but little pleasure in life. Dyspepsia wrought its worst punishment in him and nothing he could get seemed able to in any way alleviate his distress.

At last, however, he has found a cure. Dodd's Dyspepsia, have relieved him of all his pains and distress, and have made an all round well man of him. He is very grateful and is full of praise for Dodd's Dyspepsia. Tablets, which he says "have made a new man of me."

This struck Will Maguire.

Add. McMurrich asked how it was that for two years he had but little pleasure in life. Dyspepsia myrought its worst punishment in him and nothing he could get seemed able to in any way alleviate his distress.

Add. McMurrich asked how it was nothing of the kind. The wires had been a full worst punishment in him and nothing he could get seemed able to in any way alleviate his distress.

At last, however, he has found a cure. Dodd's Dyspepsia Tablets have met and conquered his Dyspepsia Tablets have met and conquered his Dyspepsia. Tablets have met and conducted his distribution of the company should be of greatest interest to thousands who are now suffering just as Mons. Bouchard did before he used Dodd's Dyspepsia Tablets. If this remedy can and does cours such acute and advanced cases it surely, will cure any case of Stomach Trouble.
