

ORONTO expects every man to do his duty as far as the Horse Show is concerned. It's the largest social event and the matter of dress for those attending is a matter of considerable importance.

Hats formen-Silk Hats are the only proper thing and a silk that hasn't the latest twist to the brim is not worth wearing.

It doesn't cost any more to get a new style Silk than one of the other kind. It's a question of where you buy.

We are exclusive Hatters.

We are sole Canadian Agents for Dunlap of New York and Henry Heath of London, England. And the Silks by these two makers stand as the patterns for all other makers.

Winnipeg. Man., April 27.—The steamer Gertie H. caught fire on the Red River when near the Canadian Pacific Railway bridge, this afternoon. The steamer struck the bridge and the blaze communicated to the ties, which caught fire. The boat then driften down stream to the Louise traffic bridge and also ignited that structure. Both bridges were saved, but not before considerable damage had been done. The boat was burned to the water-line. Loss about \$25,000.

XX Friday's Great Bargain Programme

A Triple Loss to Be Counterbalanced By Trebling the Business.

Modern merchandising makes the store and its auxiliaries not a storehouse in the old sense, but rather an exchange or clearing house in the banker's sense. A constant stream of merchandise flows toward us to be sorted, marked, displayed and then passed out by means of many thousand daily deliveries, including His Majesty's mails, the express companies and our own delivery wagons. Whatever obstructs this steady flow has to be overcome even if it REQUIRES HEROIC MEASURES.
