

Mr. Cunningham's class wins the prize offered by the Superintendent for good attendance, closely followed, however, by Miss Brown's class, who were successful last year.

By the accompanying financial statement of the Treasurer, it will be seen that there is a substantial balance on hand, amounting to \$84.10.

It is cheering to be able to report that God has been pleased to give us evidencé of His Spirit's power in applying savingly the truth taught to the hearts and consciences of some, for five young persons from the Sabbath-school have been led, during the year, to confess Christ before men by professing faith in Him as their Saviour.

The lessons for the year were taken consecutively from the Gospel by Saint Mark, thus giving splendid opportunities, which have been faithfully embraced by the Teachers of presenting to the children the main facts in the unique life, the wonderful works, the atoning death and the triumphant resurrection of our Lord and Saviour. Let us cherish the hope warranted by God's own infallible word that the seed thus sown may by the Spirit's power grow to full and rich fruition in the lives of not a few, and that more frequently "one shall say—I am the Lord's; and another shall call himself by the name of Jacob, and another shall subscribe with his hand unto the Lord, and surname himself by the name of Israel."
