

# Five Dollar Panamas

A good Panama Hat will last you at least 5 years. Mild soap and water will make it new again any time during that period. A Panama is always the ultra stylish hat for hot weather wear.

We have just received a second shipment of these direct from South America. They were manufactured to sell at \$10, \$12 and \$15. Business has been dull in the United States, and those hats were left on the hands of the southern manufacturers.

All native weaving. All new designs.

## ENGINEER GIBSON HAS RESIGNED POSITION

York Township Council Will Not Oppose Annexation—Leave Ratepayers to Own Will.

WEST TORONTO, July 16.—The board of works will try a new experiment in carrying on sewer construction. Heretofore the work has been done by contract, but Works Superintendent Matthews intends, for purposes of economy, to have the work done by day labor for a few weeks and if the new idea succeeds in lowering the cost of the sewer to an appreciable extent, the contract system will be permanently abandoned.

Mayor Baird returned this morning to Muskoka for another week's vacation. Ald. Hain is acting mayor in the meantime.

Mr. and Mrs. H. M. Wodson, 18 Ontario-street, left to-night for Quebec to attend the tercentenary celebration.

The property committee of the school board met to-night and awarded the contract for painting and decorating the different schools to John Bolton of West Toronto. The contract for the building of the fences for Carlton and Western-avenue schools were awarded to L. M. Hall.

The first annual rally of the Women's Institute of West, North and East York was held at High Park yesterday. It was an interesting event and highly successful, there being an attendance of over 200. Representatives were present from Markham, Woodbridge, Lambton, Weston, Agincourt, West Toronto, Mimico and Thornhill.

A fast game in the Junior C.L.A. League is promised for Saturday afternoon when the Junior Shamrocks will meet the Woodbridge Wanderers at the athletic grounds on Utley-street. Pat Henry of Brampton will be the referee.

so that the crowd were arranged upwards in tiers towards the house. This made the whole program perfectly audible to all.

F. M. Chapman of The World was called to the chair. The following took part: Miss Frazer of Toronto, elocutionist; Mrs. Ressor, soloist; Miss White, vocal soloist; Mr. Ziegler, vocal soloist, and the Stouffville band.

Splendid addresses were delivered by the newly arrived Methodist minister, Rev. A. B. Haines, from Cuba, Rev. Mr. Grant of Claremont, Rev. J. A. White of Brougham, Mr. Mechin, teacher, and Thomas Beare, ex-reverend of the township. Everyone was enthusiastic over the splendid order and the program, while the gate receipts were very satisfactory. Messrs. Meek, O. Fugh, J. Laughlin and Jos. Kayes were busy on behalf of the church in attending to details.

### RESIGNS THE POSITION.

Oldest Township Official Steps Down and Out.

A surprise was sprung in York Township matters yesterday when Peter S. Gibson, for more than 35 years the township engineer, tendered his resignation to Reeve Heary. In addition to his duties in York Township Mr. Gibson was consulting engineer for the Towns of East Toronto, North Toronto and Scarborough Township. A meeting of the York Township council will be held on Monday to deal with the appointment of a successor. A number of important works are under consideration, and no time will be lost in the appointment of another engineer.

### NORTH TORONTO.

Board of Health Hold Inaugural Meeting.

NORTH TORONTO, July 16.—The local board of health met in the council chamber to-night. A complaint re Eglinton-avenue and Stewart-street was dealt with and the inspector was instructed to see that necessary changes are made. Mayor Fisher stated that the town is getting in such a shape that the sewage disposal was a serious question, and Dr. Jeffs, M.H.O., advocated the purchasing of a farm for septic purposes of about 200 acres. Dr. Hodgins, the secretary of the provincial board of health, will be asked to make a report regarding North Toronto, especially as to the wells. Hereafter no cesspool or septic tank will be established without a written permit from the medical health officer.

### ANNEXATION TOPICS.

Friends of the Movement Will Present Petition to Board.

Altho the order respecting the annexation of the Deer Park district was only granted by the Ontario Municipal Board on Saturday, and does not, according to the terms, come into effect until Dec. 15, 1908, the city police department has shown commendable diligence in installing the nucleus of a city service. At the corner of St. Clair-avenue and Yonge-street a patrol box has been placed, and connection will at once be made with the city system. Chief Graesset states that other boxes will be placed at convenient points, and the whole district will be amply provided for.

No steps have so far been taken by the fire department, no appropriation being so far available. "But we will do as we have always been, willing to use the means at our disposal to assist Deer Park until a regular system is installed," said Secretary McGowan.

"In York Township in the proposed annexed district action must first be taken by the property owners favorable to the movement in the submission to the municipal and railway board of a petition, bearing the signatures of one-half the ratepayers."

This in the statement made by W. A. Clarke, clerk of York Township, and one of the best informed municipal officers in Ontario, to The World last night. The municipal board do not base their decisions on the assessed value of the property, but a majority of the property owners, irrespective of the values involved. If the board are favorably impressed with the reasons advanced, opportunity will be given for the submission of a counter petition if any such developed.

"The York Township council will offer no opposition to annexation. This is in accordance with the policy laid down in the Avenant-road and Deer Park district," said Mr. Clarke.

A district which has apparently been overlooked is the portion of York Township lying east of the Town of East Toronto, and running southerly from the Danforth-avenue to the lake shore. Comprising altogether some 300 or 400 acres, this part will, if the plan as now proposed goes thru, be completely isolated, and have no connection with any municipality.

### STOUFFVILLE.

Celebration Was Attended by Many From Distance.

STOUFFVILLE, July 16.—On Sunday, July 12, the members of the Loyal Orange Lodge, No. 1020, Stouffville, attended a church parade and service, which was held in the auditorium. The procession was headed by the Stouffville Band, which played well-known martial and sacred selections. Prominent Orangemen and their friends were present from other places and enjoyed the impressive and hearty church service. Over 350 were present.

The Rev. A. H. Wright, rector of Christ Church, officiated, and gave a much appreciated discourse from the words, "Fight the Good Fight of Faith." The hall and platform were suitably arranged for the occasion, and the band played the national anthem before the closing benediction, bringing to a close the beautiful and well-rendered service.

### WHITEVALE.

Baptists Hold Successful Garden Party in the Village.

WHITEVALE, July 16.—The local members of the Baptist Church held a successful garden party last evening on the lawn of Mrs. Wilson. The hall and platform were suitably arranged for the occasion, and the band played the national anthem before the closing benediction, bringing to a close the beautiful and well-rendered service.

After a magnificent repast the program was proceeded with on an improvised platform to the east of the lawn
