

High-Class Millinery Novelties

It costs nothing to see the Dineen showing of fine millinery. We're doing the business better each season, and ladies tell us we have decidedly the handsomest hats in town.

Our notion of store service is to make everyone feel thoroughly at home here, whether or no they are ready to buy.

While we import largely of high-class novelties, our hat prices are by no means expensive.

PARTY OF CHINESE ON TOUR OF WORLD

Will Carry Manchurian Grievances to America—Presents for the Roosevelt Family.

PEKIN, Sept. 24.—Tang Shao Yi left here to-day on his much-heralded trip around the world. He is accompanied by Chung Men Yew, who is to succeed Wu Ting Fang as Chinese minister at Washington. This change in office probably will take place in December.

The presents for American officials include ten ancient porcelains, relics of the Manchu conquest, taken from the palace of the present ruling family at Mukden, and other valuable porcelains and jades obtained in the Pekin markets.

The dowager empress is sending special presents to President Roosevelt, as well as several valuable jades to Mrs. Nicholas Longworth, the president's daughter, in remembrance of Mrs. Longworth's visit to Pekin in 1865. The dowager empress recently presented a rare Yungching vase to the Smithsonian Institute in acknowledgment of the restoration by the United States of one of the ancestral tablets of the reigning family, that was looted from Pekin in 1900. The gifts being sent by Tang Shao Yi, and are so numerous that several cars are required for their transportation and are an expression of the national sense of obligation, for the remission by America, of part of the Boxer indemnity.

The mission is composed of Tang Shao Yi, his chief, Prince Esafu, second son of Prince Ching, and a prince of the fourth grade; Chung Men Yew and Yung Kwai, who were at one time in the diplomatic service at Washington, and 18 secretaries, who represent various government boards, but especially the department of public works, agriculture and communications. With it go 15 Chinese students who are to enter American colleges. Five additional secretaries are preceding the mission direct to Europe and will join Tang Shao Yi there.

The mission of Tang Shao Yi is replete with political possibilities, and its outcome is being regarded with great interest by some of the European powers interested in Manchuria.

It is felt by foreigners in Pekin that Tang Shao Yi is about to make an effort to attempt to remove the obstacles to China's freedom in Manchuria by securing American sympathy and support through American investment, and an American loan would not be popular with some of the powers interested in Manchuria. The mission has been characterized here in some quarters as a political blunder.

Japan would seem to be more or less concerned with what Tang Shao Yi may do and say on his trip around the world; she does not view with equanimity his carrying Chinese grievances over to America and elsewhere, and it is declared here that some of the powers look at this matter in the same light.

AT OSGOODE HALL

Court of Appeal. Loughheed v. Collingwood (continued). Re Cornwall Furniture Co. (winding up).

Barratt v. Cornwall. In divisional court the appeal of the Grand Trunk Railway in the case of Hobley v. G.T.R. was dismissed. Judgment was reserved in the suit of Ely v. Downing, also in the action re Marshall and the A.O.U.W.

In the case of Steele v. Gonver and Slater, Judge Taitzel dismissed Steele's appeal from the order of the master at Windsor approving the sale of Steele & Gonver's business to Slater.

A writ has been issued by Thos. Gibson, 322 Bathurst-street, for an unpaid damages for the death of his 8-year-old son, against the Toronto Railway Company. Negligence is charged against the company and its employees.

FREIGHT RATES ON GRAIN.

Increase is Announced by the Navigation Companies. MONTREAL, Sept. 24.—That there is to be an increase in grain rates between Port William and Montreal is announced by the Canadian ship owners. Companies have been handling grain during summer months at from 1-1/2 to 5 cents per bushel. The contention is that under a 5-1/2-cent rate there is no money, but an actual loss. Now that there are prospects of moving a lot of wheat in the present heavy crop, it is expected that rates will go up to 7 cents per bushel.

EXPLORER SHOT.

Alfred Van Hemmerstein Perhaps Fatally Hurt in Northwest. OTTAWA, Sept. 24.—(Special).—The letter received here from Port McMurray on the fringe of the Arctic Circle tells of the accidental shooting into August of Count Alfred von Hemmerstein, an explorer well known in Canada.

He was explorer and exploiter of the Athabaska Petroleum Fields. The accident occurred while von Hemmerstein was hunting. At the time the letter was written by his secretary the victim was in a critical condition and the nearest medical aid was at Edmonton, 450 miles away.

Von Hemmerstein gave valuable evidence as to resources of Canada's hinterland before the committee of the senate, which enquired into the subject two sessions ago.

FUGITIVE USED BULLETS.

But is Recaptured—Had Escaped From "Pen." KENORA, Sept. 24.—(Special).—Joseph Louie, escaped convict from Stony Mountain, was located at 7 o'clock this morning at Deception, fifteen miles west of here.

He was serving five years for forgery and had only one more year to go. He escaped Sept. 5.

Verdict of \$1250. In the action for \$3000 damages brought by Mrs. Sarah Bull against the Toronto Railway Company for injuries received by being run down by a car on Yonge-street on March 11 last, the jury returned a verdict awarding her \$1250 and \$100 to her husband, together with the costs of the action.

MAYOR BAIRD IS LOYAL TO CAUSE OF CITIZENS

Turns Down Proposal in Favor of Private Company—Many Delegates Are Named.

WEST TORONTO, Sept. 24.—The Stark Telephone, Light and Power System, now in liquidation, is being reorganized under the name of the Interurban Electric Co., Ltd. A special meeting of the council was held to-night to confer with the company's solicitors about the terms of transfer, and the proposed changes to the agreement between the system and the municipality did not appear at all unreasonable to the aldermen. The only request in fact that the company made was that permission be given them to obtain power from outside sources, as the present plant of the company is inadequate for the demands of the public. But Mayor Baird fortunately discovered a point in the agreement which if it had not been noticed would have been the cause of much inconvenience to the citizens of West Toronto in the near future.

"The first clause," said the mayor, "forbids the municipality, under the Connee Act, to enter into competition with the company, provided that the service given by the company is satisfactory. Now, this is an age of combination, and the Interurban Electric Company may become merged with the Toronto Electric Company. If then, the Hydro-Electric Commission, which in about a year will supply Toronto with cheap light and power, wish to extend their business out here, even the West Toronto is a ward of the city. I propose, therefore, to amend the first clause so that this municipality can compete with the company if the occasion arises."

The company's solicitors were not prepared to agree to this off-hand, so another special meeting will be held in a few days to settle the matter. A well-attended meeting of ward 1 Conservatives was held to-night at the home of ex-Councillor Thomas Chapman, Dayview-road, at which the Conservatives met at ex-Councillor J. R. Bull's house on Weston-road. Delegates to the Conservative convention on Saturday were appointed at both meetings.

After a year's illness Mrs. Annie Florence Morgan, 191 North Keele-street, died last night at her home. The chief ranger of Court Toronto Junction No. 1253 I.O.F. request the members to meet at 22 Jane-street for the purpose of attending the funeral of their late brother, Charles E. Bennett, which will take place on Friday at 2 p.m. at the Humboldt cemetery. The members of Davenport No. 32 are also invited.

A case of assault occurred last night on Eglinton-avenue, at 22 Jane-street, named Anderson, who resides there, had arranged to buy some chickens from Mr. Zaklinsky, the pastor of a Russian Greek Church in the neighborhood, and he states that on going for the chickens the pastor and himself came to blows. Mr. Anderson even claimed that Zaklinsky was the aggressor. Zaklinsky says Anderson never left his bed to-day, which raises a doubt as to whether he was the aggressor. Zaklinsky says Anderson cut from his house not long ago, but both parties claim assault and have engaged solicitors to conduct the case.

A meeting of the West Toronto Conservative Association will be held to-morrow (Friday) evening.

WESTON.

Sheriff Holds Town, But Not for Very Long. WESTON, Sept. 24.—(Special).—J. H. Taylor, treasurer of the town, this afternoon received the writ issued by the Equity Fire Insurance Company, and the town is technically in the sheriff's hands till the judgment for \$10,315.16 and added cost amounting to \$280.42 more are paid. The final step has been long deferred, judgment having been given against the municipality in May by Mr. Justice McMahon.

The facts leading up to the summary proceedings are briefly these: "Dr. F. E. Truitt, reeve of the town built, borrowed the sum of \$10,000 to build concrete sidewalks under the citizens had overwhelmingly voted not to undertake the work as a local improvement."

Reeve Quin was defeated at last year's election, as were nearly all the members of the then council, and suit was begun in February. The municipality gave notice of appeal, but Judge McMahon decided against the town.

Council will, thru town solicitors, issue debentures for the whole amount at once, and the trouble will all be over.

NORTH TORONTO.

Local Methodists Organize Adult Bible Class. NORTH TORONTO, Sept. 24.—At the Davisville Methodist Church last night an adult Bible class was organized and the following officers elected: John Pinder, president; H. Crowhurst, secretary; Miss V. Young, treasurer; Rev. H. Sparling, teacher and Selby E. Longstreet, assistant teacher.

Hiram Hough, 553 Euclid-avenue, Toronto, was fined \$1 and costs, \$4.75 in all, for riding his bicycle on the sidewalk in North Toronto.

Arthur Hoppell received judgment in his favor from Magistrate Ellis this afternoon against Frank Morgan for wages.

DEER PARK.

Inspector Concludes Long Term of Service in Deer Park. DEER PARK, Sept. 24.—Inspector Fotheringham paid his last official visit to the Deer Park public school to-day. The next inspectorial visit will be from the city inspector and Deer Park will form part of Toronto.
