COMMENCEMENT WEEK UNIVERSITY OF TORONTO

Convocation Will Take Place on Friday Followed by a Garden Party

In connection with the commencement this week a number of changes have been made in the proceedings, which begin on Wednesday with the term meeting of the senate. On Thursday the annual meeting of the Alumni Association takes place in the east hall at 5 p.m. The alumnae dine in the gymnasium at 6, and the class of 1884 at 7 in the dean's house. At 8.15 in Convocation Hall the president will address the members of the graduating classes and the alumni, after which there will be a reception to the graduates in the examination hall. The main portion of the hall is reserved for the graduating classes.

On Friday the class of 1884 lunch and dine together, and the class of 1906 dine at McConkey's.

At 1.30 the graduating classes assemble in the west hall to be marshaled for the procession. The board of governors, the senate, and the staff, meet at 2 p.m. in the east hall, when they proceed for convocation hall at 2.30.

The main floor has been reserved for the wives of the members of the board of governors, the senate and the staff, who, with the graduating classes, may secure not more than two tickets at the registrar's office not later than Wednesday. The first gallery will be occupied by the immediate friends of the graduates. On Thursday the remaining tickets will be distributed to those who apply for them in person. Any seats unoccupied at 2.20 p.m. will be no longer reserved.

At the close of proceedings in the hall the garden party will be held in the quadrangle.

DYNAMITE EXPLOSION

$1000 Damage to Cobalt Buildings, But No One is Hurt.

COBALT, June 6.—Nearly a case of dynamite went off on one of the main streets of the town. The dynamite was in the bottom of a toolbox, where the men were cutting off ten feet of the hill opposite the public school on Grandview-avenue. In some manner fire got into the box and the workmen were warned. They just got out of the pit in which they were working when the explosion occurred.

Twenty-seven windows in the school were broken, the Pontiac House, adjoining, had several windows broken, and the building moved a foot.

Other buildings in the neighborhood were similarly damaged, and the loss will amount close to $1000.

An auger in the toolbox was picked up red-hot at the foot of Argentite-street, 300 yards from the explosion, and a large mallet, badly burned and the iron on it red-hot, went thru the roop of the opera house and into a broker's office.

Not a person received a scratch, which is considered miraculous, as the fire alarm had just rung, and the people were flocking to the scene of the explosion when the dynamite went off.

BIRTHDAY PRESENT WORTH $18,000.

CALGARY, Alta., June 6.—Twenty-five years ago W. J. Costello, the first white child to be born in Calgary, was deeded a 25 foot lot shortly after his birth by the then village authorities. The property was held in trust by his parents until Costello came of age. Yesterday the young man sold his lot for $18,000. The property is on Eighth-avenue, opposite the postoffice.

ONTARIO.
Provincial Loan of $3,500,000

THE GOVERNMENT OF THE PROVINCE OF ONTARIO, under the authority of Chapter 8 of the Statutes of Ontario, 1909, invites subscriptions from the public for a loan of $3,500,000 on bonds of the Province of Ontario, or "Ontario Government Stock."

The bonds will be dated 1st June, 1909, and payable on the 1st June, 1939, in denominations of $1000 each, with coupons attached for interest at the rate of four per cent. per annum, payable half-yearly, on the 1st June and 1st December in each year, at the office of the Provincial Treasurer, Toronto, or at the offices of the Bank of Montreal, in Montreal, Canada, and in New York, N.Y., at the holder's option. Bonds will be made payable to bearer, but on request will be registered in the office of the Provincial Treasurer, and endorsed as payable only to the order of certain persons or corporations, and on request of holders will be exchanged for "Ontario Government Stock" at any time.

"Ontario Government Stock" will bear interest from the 1st day of June, 1909, principal payable on the 1st day of June, 1939, and interest at the rate of four per cent. per annum, will be paid half-yearly by cheque, on the 1st day of June and 1st day of December in each year. "Ontario Government Stock" may be subscribed for in sums of $50, or multiples thereof, and will be transferable in the books of the Treasury Department only by the holder or his attorney, in similar manner to transfers of bank stock.

The issue price during the month of June, 1909, will be 102 for each $100, and after the 30th day of June, 1909, the issue price will be 102, and interest accrued from the 1st June, 1909.

ALL BONDS AND INSCRIBED STOCK ISSUED UNDER THE AUTHORITY OF THE SAID ACT ARE FREE FROM ALL ONTARIO PROVINCIAL TAXES, CHARGES, SUCCESSION DUTY AND IMPOSITIONS WHATSOEVER.

Purchasers of Stock or Bonds will be required to send certified cheque with the application, payable to the order of the Provincial Treasurer of Ontario."

This loan is raised upon the credit of the Consolidated Revenue Fund of Ontario, and is chargeable thereupon.

Subscribers should state whether they desire bonds or "Ontario Government Stock."

Example: A subscriber for $1000 will have the option of taking either a bond or "Ontario Government Stock." A subscriber for $750 will be given "Ontario Government Stock," as bonds are only in the denomination of $1000.

A. J. MATHESON,
Provincial Treasurer.

Montreal Regiment Invited.

PLATTSBURG, N.Y., June 6—For the protection of the visitors to the coming Champlain tercentenary, the committee in charge of the police arrangements will have special details of detectives numbering about 150 from the larger cities of the state, Quebec and Ottawa.

The 5th Royal Scots of Montreal have been invited to join in the military display at Plattsburg on July 1.

Made Navigation Safer.

Later information on the results of Lieutenant Shackleton's expedition to the Antarctic regions revealed much that was not discussed in the preliminary despatches. It is now brought out plainly that the south magnetic pole, like the north magnetic pole, shifts its position. The discovery will enable geographers to revise the magnetic charts, and this will render navigation safer.
