JAPS ATTACK ALONG THE RIVER

RUSSIANS STRUGGLE TO HOLD THEIR OWN

Battle 100 Miles Long is Beginning

Kuropatkin to Withdraw From Shakhe

St. Petersburg, March 1.—(1.15 a.m.)—Last evening's news from Manchuria is of the most important nature, the despatch from Mukden, transmitted Tuesday, indicating that a general battle was beginning along the 100 miles of front occupied by the two armies. Gen. Kuropatkin appears to have taken a leaf out of Field Marshal Oyama's book and replied to Gen. Kuroki's attack on the Russian left by a counter-attack on the Japanese left, in which Gen. Kaubar's initial success is better for the Russians than the best efforts of Gen. Gripenberg, the Russian vanguard being established at the outskirts of Sandaiu.

At the same time, Kuropatkin delivered a blow against the Japanese center, seizing a railroad bridge across the Shakhe River. These reports, therefore, give a more hopeful aspect to the situation for the Czar, as the Russian army, driven out of Da Pass, appears to have stopped at least for the moment, the further advance of the Japanese eastward and beaten off the attacks of the center.

The effect of yesterday's developments on Gen. Kuropatkin's reported intention to withdraw from the Shakhe is problematic. It is probable that he will not do so, but that he will continue to fight under any circumstances, it is doubly dangerous when the armies are grappling in a general engagement; but if Gen. Kuroki succeeds in rolling up the Russian left much further, the perilous expedient may be contemplated. The counter-strokes on the right and center may possibly be intended to cover the withdrawal of trains and stores.

If, however, Gen. Kuropatkin is determined to stand and fight on the battlefield on the line which he held during the winter, and if he should be able to administer a vigorous check to Gen. Kuroki, he has secured a good position for his second movement in the great game.

JAPS BEATEN BACK.
Mukden, Feb. 28.—Fighting is in progress today along the whole line, the Japanese attacking everywhere. All attacks this morning were beaten back, and the Russians made counter-attacks at many places.

On the right flank the Russians occupied Boatsai, close to Sandaiu, and from that position hurled hand grenades across the intervening ravine into the Japanese trenches in Sandaiu, causing heavy loss and great disorder. The Russians then advanced their line to the bridge across the Shakhe River in the center of the Japanese lines, assisted by artillery firing of particular energy from Putloff Hill and Novgorod Hill. Ten determined attacks against Yasantsung and west of Yanpu were all repulsed with heavy loss.

The seizure of the railroad bridge across the Shakhe River was the occasion of a sharp combat. The Russians surprised the Japanese bridge guard by attacking from the rear, and after a short struggle regained possession of it.

The Japanese are using heavy artillery in the bombardment of Putloff Hill, and Newgod Hill, and it is believed to be preliminary to an attempt to storm them. The loss to the defending force is insignificant. The rear of artillery firing is echoing unceasingly from the mountains eastward to the foot of the Hun River Valley, the scene of General Gripenberg's repulse.

The situation on the Russian left flank is unchanged as compared with Monday evening.

RUSSIANS LEFT 180 DEAD.
Washington, Feb. 28.—The Japanese iteration to-day received the following official advice: "Our detachment of 300 men, which was sent to Chingchow, Strong snowstorms and the steep nature of the ground and the melting ice of the mountainous country rendered our movements, but by noon our first line managed to press closely to the enemy's positions. The enemy's positions were held by sixteen battalions with twenty guns, and our troops were offered stout resistance. At daybreak of Feb. 24, we captured the enemy's positions with heavy loss and ammunition. The enemy's loss is believed to be considerable. No case of frostbite in our army."

Battling Nelson Won in 9 Rounds

Young Corbett Was Badly Beaten

Even Battle for Four Rounds and Dance Began to Wear Down the Denverite—Nelson Was Favorite in Betting—Great Crowd Saw the Battle.

San Francisco, Cal., Feb. 28.—Battling Nelson of Chicago and Young Corbett, ex-champion featherweight of the world, met for the second time at Woodward's Pavilion tonight in a contest to determine which of the two shall meet Champion Britt in a return match. Between 4000 and 5000 persons witnessed the spectacle, and it is estimated the receipts will approximate \$15,000. Nelson entered the ring a favorite in the betting. Corbett received a great ovation when he entered the arena. Corbett, who often has claimed lack of condition as the cause of his recent defeat by Nelson, and realizing that defeat tonight might end his pugilistic career, was in his best form. He fought manfully for two months and to-night announced that he was in perfect shape. His statement was corroborated as he fought, mistakingly, but did not land. They kept at close quarters, Corbett landing left and right, short arm rights and lefts to the jaw. He tried his right, but ran into a stiff right to the jaw. They fought desperately at close quarters for the first three rounds.

MARRIES ONCE TOO OFTEN AND WIFE NO. 1 RESENTS

John Edgar, Aged 26, Wedded Week Ago, Now Under Arrest on Bigamy Charge.

John Edgar, aged 26, of 223-1-2 George street, like many other married men (if all tales be true) wishes now that he hadn't gone and done it. He did not consider one wife enough for whom he had been married, but he had a second wife. His foolishness has found him out.

It was in 1888 that he lived in Linstead. There he married Miss Sarah Montgomery, one of the belles of that thriving town. They lived there for a time and then moved to Guelph. Two years ago he deserted his wife and came to Toronto. He worked for various firms but later he had been dealing in furs, supplying a number of manufacturers.

A little over a year ago he became acquainted with a number of nice people in the city, among them a family named Henderson. He posed as a single man. Last Wednesday he married Miss Henderson.

When Edgar's wife returned to the home of her brother, who had a prominent merchant in Linstead, she said no attention to her runaway "hubby," as she is comfortable where she is. But a few days ago rumors reached her that Edgar was contemplating another marriage. Unfortunately for her, the remainder refused to do so. She last night had the wedding stopped.

Last night Mr. Montgomery arrived from Linstead bringing with him the marriage certificate of his sister and the church register. He identified Edgar, who was arrested by P. C. Dent on the charge of bigamy.

ARRESTED UNDER JURY'S VERDICT

INSANITY LIKELY DOYLE'S DEFENCE

Had Bad Reputation for Veracity and Conduct—Witnesses Tell of Queer Behavior.

Brantford, Feb. 28.—(Special.)—A few minutes before the close of the inquest into the death of Mrs. Margaret Doyle at Burford to-day, the son, Felix Doyle, was arrested by Detective Green. He was charged with the crime. The arrest did not come as a surprise. Few, if any, had any doubt about the son's connection with the terrible affair, and story last night before the coroner's jury being a mass of contradictions and complete repudiation of his previous statements.

All to-day he was an interested spectator of the proceedings, but he was called upon to give evidence. He displayed considerable nervousness, and had frequent suggestions to make to his lawyer, Mr. Baird, who was sitting in the box. He was frequently smiling at things that appeared humorous to nobody else. He did not appear surprised when taken into custody and made no protestations.

Remained a Week.
The prisoner was taken before Squire Cox, who remanded him till next Tuesday. It is hardly likely anything will be done then, as the probability is the case will not be ready. It will be at

Kuropatkin Intends to Retreat

And So Informs Czar Nicholas

(Bulletin.)—St. Petersburg, March 1.—The Associated Press hears from a high source that Gen. Kuropatkin considers his position on the Shakhe River to be menaced to such an extent by Gen. Kuroki's success on the left flank view of the approach of Japanese troops in the rear of the Russian army that he has advised Emperor Nicholas. No confirmation of this is obtainable.

AVENUE ROAD IS ANNEXED

GOVERNMENT TAKES ORDER

Settlement of School Finances Left to Arbitration, as Provided by the Act.

An order for the annexation of the Avenue-road district, which has been long in abeyance, was passed at a meeting of the provincial cabinet yesterday afternoon.

The lands east of the centre line of Avenue-road will be in Ward Three, and those west of the line will be in Ward Four.

A difficulty was encountered in respect to the finances of the school section in York Township, which has an annexed portion forms a part. The section has issued debentures for approximately \$14,000 for school buildings, and the city will be called upon to assume a portion of the indebtedness. Such a contingency is provided for by section 83 of the Public Schools Act, which provides that where the parties cannot agree the matter shall be left to arbitration. The arbitrator shall be the county judge to be the third arbitrator. Some time ago a board of arbitration was appointed to deal with all questions arising out of the proposed annexation of the school section. The arbitrator's report is also provided for in the Act. The arbitrator is remaining in the township working out its rights in other respects.

The order in council contains the following clause, providing for the annexment of the annexed property:

"The land so added (but not any new buildings or improvements erected or placed thereon) shall remain for a period of ten years from Jan. 1, 1905, on the same assessed value as such lands were assessed in the Township of York for the year 1904, but new buildings erected hereafter shall be assessed on the same basis as lands of other lands and buildings under the provisions of the Assessment Act."

At the point where Avenue-road begins at a point 130 feet west of the eastern end, and is continued southerly in a straight line to Woodlawn-avenue. The annexation of this section of property was strongly opposed by Senator Kerr and William Mackenzie, who succeeded in inducing the cabinet to refuse the order. These residents had secured water and gas connection for their property. The city council had agreed to contribute the cost of the water connection, while contributing nothing to the gas connection. The threat of the city council to cut off water connection with the Mackenzie and Kerr residence resulted in litigation, which is still in the court, and now the city government has acceded to the wishes of the city and the majority of the residents. The annexed section is a cause of contention will be removed.

The annexation proclamation will be dated Monday and the order will appear in The Gazette on Saturday.

HARPER SURPRISES SURGEONS

Already Sits Up in Bed and Dictates Letters.

Chicago, Ill., Feb. 28.—President W. R. Harper of the University of Chicago, who recently underwent an operation that revealed cancer of the colon to-day sat up in bed and dictated a letter to his private secretary, and a considerable number of letters. He said he was feeling well. Surgeons attending to his case believe he will be about much before the time they set for him. The surgeons and hospital authorities are surprised by Dr. Harper's display of will power. Apparently he is determined to resist to the employment of X-ray treatment.
