

FOUR NEW WORLD'S RECORDS MADE IN ONE DAY'S RACING

Transylvania Stake Races Furnished Wonderful Sport... Local Football Tomorrow... How Miss Thomson is Regarded... No Post Season Baseball... News of the Turf and Ring.

Four World's Records Made.

Lexington, Ky., Oct. 7.—The Transylvania for 2,112 trotters, value \$3,000 yesterday resulted in possibly the greatest contest in the history of the trotting turf, and was won by Sweet Marie in the three final heats.

Sweet Marie won the third heat in 2:05. This established a world's record for the three fastest heats ever trotted in a race.

How They Regard Miss Thomson. The Toronto News of Wednesday says: Though not at all old in years, Miss Thomson, of St. John (N. B.), is a veteran as the game.

Football Tomorrow. Neptunes and Trinity football teams will meet on the Shamrock grounds, tomorrow, Saturday, when an interesting game should result.

Harry Dail as Coach. Captain Oliver Filley of the Harvard crew Tuesday started the fall rowing work on the Charles River with five crews out from each of the two clubs.

Fighters' Millions. Where are the millions that fighters have won in purses and side bets? Tom Sharkey can account for some.

Table with columns: BACK, HALVES, QUARTERS, FORWARDS. Lists names of players for various teams.

American League Standing. Table with columns: Team, Won, Lost, P.C. Lists standings for Boston, New York, Chicago, Cleveland, Philadelphia, St. Louis, Detroit, Washington.

No Post Games. New York Oct. 6.—There will be no post-season series of games played this year between the New York teams of the National and American baseball leagues.

skill that he exercised against other men in his class. When Jeffrey fought Gus Ruhlin in California he took the Akron's nerve away from him so completely that Gus forgot all of his fighting craft and was unable to put a fraction of his strength into the blows he struck.

Do Fighters Hypnotize? Some scientist has given it as his opinion that James J. Jeffries wins his battles through "autohypnotism." "Although it seems somewhat unnecessary for a man of Jeffries' gigantic physical power, boxing cleverness and real fighting ability to call mesmerism to his aid I believe that is exactly what Jeffrey does," adds Robert Edgren.

Horse Notes. The new pacer Elbrino (2:14), by Manbrino, is a brother to the trotter Delmar.

Joe Thayer is working The Bondeman with a view to giving him a fast record this fall.

The Roman has been second in many fast heats this year, but as yet has not won one.

Senator Bailey has decided not to run for Prodigal (2:16) and will retain him and a few marcs.

Donmore by Baronmore, a Kentucky futurity candidate, has worked a mile in 2:15, last half in 1:05.

Those two rare old ladies, Effie Powers (2:08) and Pesonette (2:09) keep right on winning.

It begins to look as though old Prince Alert is tired of the racing game, or at least needs a let up.

Cashwood, a green pacer by Strongwood, recently worked an exhibition mile in 2:07 at Kalamazoo.

To Knock Out Colds. And cure them in an hour without resorting to nauseous drugs just use fragrant healing Catarrhones—the most pleasant, prompt and certain cure for colds ever discovered.

LONDON TO HEAR MUEZZIN'S CRY.

Mohametan Mosque to be Erected in Christendom's Greatest City. London, Oct. 6.—The more than two thousand Mahometans in this city are soon to have a splendid mosque in which to worship.

The mosque will be an imposing structure in red and yellow stone. The decorative work will be carried out in marble and jasper, and a broad flight of steps in marble, granite and jasper will lead to the great central entrance.

A grateful minaret surrounded by galleries whence the muezzin will call the faithful in London to worship, is a notable feature of the design. The minaret is surrounded by a cupola, and the golden crescent will be 200 feet from the ground.

DON'T WORRY ABOUT BREAKFAST. No matter if your digestion is poor use "SWISS FOOD" and poor digestion will soon be a thing of the past.

A LESSON IN LAUNDRY WORK. We give to our help, and teach them the necessity of care in the laundering of fine linen, that goes a great way in preserving the fabrics sent here for renovation.

CITY HIGH AND DRY IN TEXAS.

River Changed its Course and Town is Now Inland. Austin, Tex., Oct. 6.—James Morgan, who arrived from the Rio Grande region, confirms the report that the river has changed its course and that a greater bulk of water is flowing down the bed of the old arroyo Colorado than is in the old bed of the river, which runs by Brownsville.

The arroyo Colorado channel is being constantly deepened by the flow of the river, and it is now said to be considerably below the level of the old channel. The distance between the mouth of the new channel and the mouth of the old channel is twenty-five miles.

The city of Brownsville, with a population of 10,000, and the terminus of the new railroad built by the Yoakum syndicate, will be left high and dry if the arroyo Colorado channel becomes the permanent waterway of the river.

Many thousands of irrigated rice farms may be abandoned.
