

REPORT OF EXECUTIVE COMMITTEE.

INDIAN WORK.

COQUALEETZA INSTITUTE.

The appropriation for the Coqualeetza Institute having been referred to the Executive, and a satisfactory statement of the building, furnishing and maintenance account having been received from Dr. Sutherland, the sum of \$3,294.00 was paid—that, together with \$2,000.00 previously paid, being one-half of the balance of building, furnishing and maintenance to June 30th, 1895.

A proposition for the General Society to take charge of the Institute, and the Woman's Missionary Society to pay a *per capita* grant according to the number of girls in the Institute, received the approval of both Executives.

The time for Miss Clarke's furlough having come, the Woman's Missionary Society was requested to secure another matron for the Institute. Miss Alton was appointed to succeed Miss Clarke.

CROSBY HOME.

A Visiting and Advisory Committee having been found of much benefit in the French and Coqualeetza Institutes, a similar committee was appointed for the Crosby Home, to be composed of Rev. and Mrs. Crosby, Rev. and Mrs. Jennings, and one to be appointed by those named, whose duties were defined as follows: The Visiting and Advisory Committee shall meet at frequent intervals to consider recommendations from the matron, examine and pass or reject accounts, and in general advise on all matters connected with the management and repairs of the Home. They, with the matron, will be expected to use their best endeavors to secure pupils from the adjacent tribes. They shall see that the accounts and registers are kept properly in detail; that a full annual statement is made out, audited and forwarded to the Corresponding Secretary not later than September 20th, showing income and expenditure up to September 5th in each year, accompanied by an inventory and valuation of all property connected with the Home, whether inside or out of the buildings. They shall appoint from time to time two visitors (neither of whom shall be officers or employees) who shall visit the Home at least once a month and report to each succeeding meeting of the committee.
