

Oxford Street Sabbath School.

OFFICERS FOR 1899.

Superintendent—THOS. BLAND.

Assistant Superintendent—J. P. BRIMACOMB.

Secretary—MISS KATE MACKINTOSH.

Librarian and Organist—W. R. TELFER.

Assistant Organist—MISS L. STEWART.

We are pleased to state that during the year just closed our school has prospered, and the regular Sabbath services have been of an exceedingly harmonious and encouraging nature. Our membership has fallen off somewhat, owing to the fact that several families have left the district. We feel the need of the assistance of some one who would devote time and energy in visiting new comers and inviting them to our school.

The officers and teachers have been as usual very faithful and devoted to the school, and their prayer is that the work would be owned and blessed by the Master in whose cause they are privileged to be engaged.

The annual picnic was held at Springbank, and a delightful day of enjoyment was spent, nearly all the teachers and scholars being present. The scholars were also treated to a tea meeting on the evening of Dec. 29th.
