Mrs. Isabel Needham and Mrs. Robert Stewart, of St. John, are sisters. Notice of funeral will be announced later.

Mrs. Mariner G. Alward.
Butternut Ridge, Aug. 4.—The community was very much shocked and grieved on Friday morning by the death of Mrs. Mariner G. Alward, formerly Miss Rubeyle Hicks, of Hillsdale, death resulting from hemorrhage of the brain. The death was in good health until within a few hours of her death.

The death of Mrs. James Brown took place at the General Public Hospital on Tuesday evening, following an illness of two weeks. She formerly belonged to Maine. She is survived by her husband, Joseph Brown of Canterbury street. The funeral took place on Wednesday morning from the services parlor of N. W. Brennan. The service was conducted by Rev. R. S. Crisp. The interment was made at Fernhill cemetery.

Word has reached Newcastle of the death of Mrs. W. L. Campbell of Minto, N.B., at the home of her sister, Mrs. Graham Jardine in Vancouver. Burial took place in Vancouver yesterday.

MORNING NEWS OVER THE WIRE
L. R. Reid of Newcastle, lost his beautiful bungalow, Redbank by fire on Sunday night. It was completely destroyed.

At the monthly meeting of St. James' church trustees of Newcastle on Monday \$100 was voted to the Miramichi Hospital, the grant to be continued annually.

The Bear River Hotel in Bear River, N.S., large stables and one residence were all burned to the ground and the roofs of other buildings scorched on Friday morning. The town was at one time threatened but by hard work was saved. The loss is estimated at \$30,000.

John J. Schoen, late of San Francisco, who left 13 children, bequeathed his whole estate, \$20,000, to his widow. His will stated: "I cut off my children not for want of affection, but because there are so many of them that it would not be worth while to attempt to divide my estate among them."

would lay down the reins, but it seems now that such was McGraw's plan when he joined the Baltimore Orioles. He played on this team until 1909, when he went to St. Louis as manager, captain and third baseman. Later he returned to Baltimore, where he endeavored to organize a team for the American League. The project was not a success, however, and in 1912 McGraw came to the Giants. In his 15 years in baseball he has won five pennants in the National League and one world championship.

Sister Susie Has Won the Ladies

She Makes Two Converts Last Evening Who Are Expected to Make Themselves Felt Saturday

The ladies at Westfield, exercising their never-doubted prerogative, have changed their minds regarding Sister Susie and certain ones who it was known, had refused an introduction are now working their heads off in various committees, from floral decoration to dish washing. Sister Susie permits no back talk; hence the extent and rapidity of her results. These gentlemen rapidly succumbed, and the Westfield district last evening in Chairman Fisher's car, which with his accustomed generosity he has placed at her disposal, met F. L. Peters and John Keefe at Miss Ballantyne's store, and these gentlemen rapidly succumbed, and it is said spent the balance of the evening practicing a line of pike talk on the stout warriors which promised most satisfactory results for Saturday. There is some guessing now which train on Saturday will take the larger number, to get on the grounds early in the day, possibly accounted for by a desire to meet Susie and avoid subsequent crowding.

RECENT WEDDINGS

Somers-Robertson.
On Tuesday afternoon at the residence of Ald. and Mrs. J. H. Crandall, Moncton, their niece, Miss Florence Elizabeth Robertson, formerly of Hampton, N.B., was united in marriage with the Rev. Henry Lee Somers of Yardville, New Jersey. The ceremony was performed by the Rev. T. Porter Drummond, pastor of St. John's Presbyterian church.

A park exclusively for women has been established in Kansas City, Mo., following the plan of a business women's organization for a recreation and rest ground for women. A site was chosen on a high point overlooking the Missouri river, where the larger number of grounds and a "Dutch oven" will be constructed and a shelter house erected.

A Young Recruit.
Mrs. Manuel Pacheco, of 43 Paradise Hill, is using every effort to secure the discharge of her son, Jack, who is but thirteen years old and who is now a member of the 146th Battalion at Moncton. Ever since the outbreak of the war Jack has been very anxious to get overseas and when the 69th Battalion was stationed in St. John he enlisted under an assumed name. His mother secured his discharge. Not satisfied that he applied to the 119th, but he was turned down. He left home about three months ago and it was not until recently that his mother learned that the boy was a member of the 246th and would soon be leaving for Valcartier.

Killed in Action.
North Head, N. B., Aug. 7.—The sad news came to the home of Mr. and Mrs. John N. Flagg of the death of their son, Eugene N. Flagg, who was killed in action on July 9 in one of the big battles somewhere in France. Previous to enlisting for the 53th Battalion he had spent five years in business in New York. Besides his sorrowing parents he is survived by three sisters—Mrs. J. C. Flagg of Cardiff, Wales; Mrs. H. E. Atwood, of Medford (Mass.), and Miss Florence, at home.

A splendid way of working to overcome this sinful waste of flesh building elements and to stop the leakage of fat is to try Sargol, the famous flesh building agent that has been so widely sold in America in recent years. Take a little Sargol tablet with every meal and see if you cheeks don't quickly fill out and rolls of firm, healthy flesh form over your body, covering each bony angle and projecting point.

All good druggists have Sargol or can get it from their wholesalers, and will refund your money if you are not satisfied with the gain in weight it produces as stated on the guarantee in each large package. It is inexpensive, easy to take and highly efficient.

If you find a druggist who is unable to supply you send \$1 to Sargol Co., 74 St. Antoine street, Montreal (Que.), and a complete ten days' treatment will be sent you postpaid.

NOTE—Sargol is recommended only as a flesh builder and while excellent results in cases of nervous indigestion, etc., have been reported, care should be taken about using it unless a gain of weight is desired.

Cocoon Oil Makes A Splendid Shampoo
If you want to keep your hair in good condition, be careful what you wash it with.

Don't use prepared shampoos or anything else, that contains too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain unadulterated coconut oil (which is pure and entirely greaseless), is much better than anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoons will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get maligned coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

NUXATED IRON
increases strength of delicate, nervous, run-down people 200 per cent in ten days in many instances. \$100 FORFEIT
If it fails as per full explanation in large article soon to appear in this paper. Ask your doctor or druggist about it. All good druggists always carry it in stock.

NEWCASTLE SUPPORTS LAWYER
At a meeting of the Newcastle town council on Tuesday evening a resolution recommending that R. L. Lawlor, K.C., be appointed to the Supreme Court bench of the province was adopted and it was decided to send a copy of the resolution to the Hon. J. D. Heenan and Hon. C. J. Doherty, asking the appointment of the North Shore man to the bench be made.

NEED BATHING SUITS.
St. John, N. B., Aug. 8, 1916
Editor Times-Star—
Sir—I wish to draw the attention of the proper authorities to the condition which exists at Long Wharf and Seely's Pond. Each day at the rise of the tide a large number of boys gather to have their daily bath. Young men also gather and the people of the vicinity cannot enjoy the pleasure of looking out of their windows without seeing sights which are not pleasant, as the young men seem to forget there are such things as bathing suits made.

This is an every day occurrence, Sunday included, and I think the proper authorities should look after it right away.

Yours,
A RETURNED SOLDIER.

Enthusiastic Meeting Last Evening
Total of Twenty-one Recruits Yesterday; News of the Soldiers

A total of twenty-one recruits were secured yesterday in the city, thirteen of whom were colored. These secured at the recruiting office in Prince William street were: Harold Francis, Medford, Mass.; Edward E. Jessup, Westfield, Mass.; Percy Drayson, London, Eng.; Fred Dryden, Moncton; Michael Brown, city; Oscar Roberts, city and Stewart C. Hatfield, city. The last four were for the 62nd detachment.

Meeting a Success.
As a result of a meeting for colored citizens held in the Temperance Hall in St. James street last evening, thirteen recruits were secured for the No. 3 Constructor battalion, as follows: Harold Francis, William T. McIntyre, Robert James Bushan, James Holmes, Charles F. Williams, Abner Jones, Allan Bushan, Herbert Nichols, Roy Hayes, Harold McCarthy, Percy Richards, Louis Austin, city, and Thomas Trudwell, Newswick.

About 250 attended the meeting. Rev. Mr. McIntyre was the unanimous choice for chairman. Speakers of the evening were Mayor Hayes, Police Magistrate Ritchie, Major L. P. D. Tilley, Lieut. R. R. McLean and Lieut. R. J. Harrington. The St. John Brass Band was present and rendered a splendid programme of patriotic and popular airs. The speeches were of a stirring nature and, judging from the applause, the audience was deeply impressed. They were brought to realize the democratic liberty they are enjoying under the British flag—the same rights that any other citizen possesses.

Word has been received that in addition to Daryl Peters, son of F. A. Peters, two other members of the signal corps of the 26th battalion have been awarded the military medal. Three military medals and one D.S.O. is so far the record of the signalling corps of this battalion.
