is remarkably small.

The lines we are now offering at

expect them to be the equal of high-

ALL-STAR BROADWAY PRODUCTION AT GEM

"Two Women," a Picture Drama
of Unusual Power, in Three
Reels—Comedy and Orchestra
Novelities

The Vitaphone all-star Broadway pro-
duction given at the Gem Theatre yes-
terday, entitled "Two Women" aroused
very keen interest. It was a drama of
unusual power, stirring appeal and grip-
ping narrative. The story dealt with the
love of two women for the same man,
the one cunning, scheming and cruel in
the accomplishment of desire, the other
innocent, loving and womanly through-
out, the man at first loving her described
as a "sensitive," but later realizing his
grave error.

The story, which was told in three
reels, cleverly photographed and staged,
was enacted by a talented Vitaphone
cast including the favorites, Earl Wil-
liams, Anita Stewart, and Julia Swayne
Gordon. This production will be repeat-
ed today. The orchestra had a choice
of new novelties, while much fun
was provided in a Lubin comedy "Feed
My Muscle."

PRINCESS PATS USE ZAM-BUK

Nothing More Welcome in The
Trenches

Pte. J. R. Smith, of the "Princess
Pats," writing to a friend in Ottawa,
says: "Tell the friends if they want to
help me, such articles as socks, hand-
kerchiefs, cough lozenges and Zam-Buk
would be useful indeed."

Scores of other messages from the
front are to similar effect. One private
writes: "Mrs. I have written to tell her to
send out some Zam-Buk instead. It will
be of more use here than all the blank-
ets in creation."

Another says: "Advice every one of
the boys to bring with him a box of
Zam-Buk; it is better than a loaf of
bread to a starving man out here."

Still another private says: "On the
retreat from Mons we had a forced
march of thirty-seven miles, and I
was so tired that I could hardly keep
my feet. I used Zam-Buk on my feet
and they felt better."

For sore feet, chafed places, scalp
sores, barbed wire scratches, cuts, ab-
cesses, painful sores, etc., Zam-Buk is
a veritable marvel. It stops the inflam-
mation and heals so rapidly. Here it costs but
fifty cents per box. Out at the front,
to your friends in the trenches, it is priceless.
Send a few boxes in your next parcel.
Remember also that the same kind of
injuries sustained at home, it is just
as good.

URGES ONE DIVORCE COURT FOR ALL CANADA

Montreal, May 20.—A divorce court
for all Canada, on the plan of the Ex-
chequer Court and sitting at the various
provinces as often as necessary, was ad-
vocated by Howard Ross, K. C., in an
address in the school room of Olivet
Baptist Church. The address was given
under the auspices of the Province of
Quebec Baptist Women's Home and
Foreign Mission Board.

"This would be a step toward the uni-
formity of laws," said Mr. Ross. "At
present Nova Scotia, New Brunswick
and British Columbia have divorce
courts, and even in these courts there is
a difference in procedure. In 1883 a di-
vorce court was established in Prince Ed-
ward Island, but no cases have been
tried by this court for many years.

"Only people who wish to do so need
apply to such a court, as is the case with
applications to the senate, thus giving
such a court jurisdiction in Quebec
Province would not interfere with the
views of persons who object to divorces."

ZIONIST COMMITTEE TO SEND FUNDS TO RUSSIA

New York, May 20.—The provisional
executive committee for general Zionist
affairs announces that it has arranged
forward to Russia funds which resi-
dents of the United States may desire to
transmit to relatives there. This is an
extension of the committee's plan of for-
warding such funds to the people of
Palestine.

E. B. Baldwin, of Marshallville, Ga.,

former slaves, six "mammy" and five
men. Their host and his brother, W. P.
Baldwin, served as butlers.

New, Positive Treatment to Remove Hair or Fuzz

(Beauty Notes.)
Women are fast learning the value
of the use of delatone for removing hair
or fuzz from face, neck or arms. A
paste is made with some powdered delatone
and water and spread on the hairy
surface. In 2 or 3 minutes it is rubbed
off, the skin washed, and every bit of
hair has disappeared. No failure will
result if you are careful to buy genuine
delatone.

WOUNDED PRAISE CANADIANS

A Nova Scotia nurse in one of the hos-
pitals at the front, writes a very inter-
esting letter to an Amherst lady. She
says that on every hand, especially from
the wounded "Tommys," who come to
the hospital, she hears high praises of
the Canadian soldiers for the bravery
they displayed at the battles of Lan-
gemark and Ypres. The wounded Ger-
man prisoners who were also brought in,
remarked that the Canadians fought
"like very devils."

This nurse remarked as rather a strik-
ing coincidence that one of the first pa-
tients that had fallen to her lot to treat
was Stanley Chambers, son of Sylvester
Chambers, of Truro, father and son be-
ing personal friends of her own.

A Simple Way to Remove Dandruff

There is one sure way that has never
failed to remove dandruff at once, and
that is to dissolve it, then you destroy it
entirely. To do this, just get about four
ounces of plain, common liquid arvon
from any drug store (this is all you will
need), apply it at night when retiring;
use enough to moisten the scalp and rub
it in gently with the finger tips.
By morning, most if not all, of your
dandruff will be gone, and three or four
more applications will completely dis-
solve and entirely destroy every single
sign and trace of it, no matter how
much dandruff you may have.
You will find all itching and digging
of the scalp will stop instantly, and your
hair will be fluffy, lustrous, glossy, silky
and soft, and look and feel a hundred
times better.

WORK A BLESSING.

It is now man's business whether he
has genius or not; work he must
whatever he is, but quietly and steadily
and the natural and unforced results
of such work will be always the things
that God meant him to do, and will be
his best.
No agencies nor heart-readings will
enable him to do any better.

The secret of success in life is to keep
busy, to be persevering, patient and un-
tiring in the pursuit or calling you are
following.
The busy ones may now and then
make mistakes, but it is better to risk
these than to be idle and inactive.
Motion is life, and the busiest are the
happiest.
Cheerful, active labor is a blessing.

Bobby had been taught to remember
all his relatives when he said his pray-
ers. One night, as he knelt at his
mother's knee he did not mention the
name of a favorite aunt.
"Why, Bobby?" said the mother, "you
didn't say 'God bless Aunt Beatrice
and make her happy.'"
"Well, mother," replied the little boy,
"I don't have to say that any more,
Aunt Beatrice's engaged."

In South Africa there is the "moss
wood" tree, which is so called, because
one cannot cut it with a saw without
sneezing, as the fine dust has exactly the
effect of snuff. No insect or worm will
touch it; it is very bitter to the taste,
and when placed in water it sinks.
