MORNING NEWS OVER THE WIRES

Lord Shaughnessy, chairman of the board of directors of the C. P. R., has given emphatic denial to the rumor that he is to be the Canadian representative at Washington. Another name mentioned in this connection is Sir Charles Fitzpatrick. The name of Lord Shaughnessy has also been mentioned as Governor-General for Ireland, but this rumor is discounted in most circles.

Applies raised by H. L. Morse of Berwick, N. S., won two first prizes at the Imperial fair show being held in the Crystal Palace in London.

The French trawler *Fleurbaey*, arriving in St. John's, Nfld., from the Grand Banks has reported that twenty-two men with twenty-six dories were lost from a Portuguese fishing vessel during the North Atlantic fog of a week ago. If this be true it is one of the worst tragedies of the Grand Banks.

VICTORIA STREET W. M. S.

The W. M. S. of the Victoria street Baptist church had an interesting programme for its crusade meeting held last night in the church with a large attendance of members and friends. Mrs. G. D. Hudson, the president, was in charge, and the address of welcome was given by Mr. Edmund Flewelling. The pageant of the ten virgins was presented; readings were given by Miss Zola Taites and Miss Stockford; solos by Mrs. C. R. Freeman and Miss Ethel Hudson; a recitation by Miss Genevieve Hudson, and an address by the pastor, Rev. G. D. Hudson. A large sum was realized in the special collection taken.

**OIL LIGHT BEATS
ELECTRIC OR GAS**

Burns 94% Air

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 18 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent. air and 6 per cent. common kerosene (coal oil).

The inventor, Johnson, 248 Craig St. W., Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency and without experience or money make \$200 to \$500 per month.

"Never Again!"

You've heard this expression lots of times. Possibly you've used it when learning by costly experience that attire is proved better by service than by the price ticket; especially when the attire was identified as being "cheap at the price." It was indeed—and costly, too, for you. "Cheap" attire is never good enough for you.

"Not for the lowest prices, but made in the finest way."

This expresses our idea of merchandising since 1859.

Home-made, but Has No Equal for Coughs

Makes a family supply of really
dreadable cough medicine. Espe-
cially prepared, and saves about 82.

If you have a severe cough or chest
cold accompanied with soreness,
throat tickle, hoarseness, or difficult
breathing, or if your child wakes up
during the night with cough and you
want quick help try this reliable old
home-made cough remedy. Any drug-
gist can supply you with 2 1/2 ounces
of Pinex. Pour this into a 16-oz.
bottle and fill the bottle with plain
granulated sugar syrup. Or you can
use clarified molasses, honey, or corn
syrup, instead of sugar syrup, if de-
sired. This recipe makes 16 ounces
of really remarkable cough remedy.
It tastes good, and in spite of its
low cost, it can be depended upon to
give quick and lasting relief.

You can feel this take hold of a
cough in a way that means business.
It loosens and raises the phlegm,
coughs, throat tickle and soothes and
heals the irritated membranes that
line the throat and bronchial tubes
with such promptness, ease and cer-
tainty that it is really astonishing.
Pinex is a special and highly con-
centrated compound of genuine Nor-
way pine extract, and is probably
the best known means of overcoming
severe coughs, throat and chest colds.
There are many worthless imitations
of this mixture. To avoid dis-
appointment, ask for 2 1/2 ounces of
Pinex with full directions and don't
accept anything else. Guaranteed to
give absolute satisfaction or money
promptly refunded. The Pinex Co.,

ROYAL TREASURES SOLD.

Liquidation of Hapsburg Holdings
Almost Complete.

Vienna, Oct. 4.—(By mail).—The
liquidation of the vast Hapsburg hold-
ings in Austria, with the exception of
the possessions considered private, will
be completed shortly, and the final
report is expected to show the disposal
of properties valued at many millions of
crowns. Most of the funds realized
through the sale and the leasing of
former court buildings will be used for
the benefit of war invalids.

The large reduction in territory now
under the government of Austria has
greatly diminished the amount of space
required for administrative purposes,
and many blocks of office buildings
have been rented to private indi-
viduals.

The possessions considered as pri-
vate have been reduced to the mini-
mum. Many personal presents made
to former Emperor Francis Joseph,
Empress Elisabeth, and the late Em-
peror Karl by foreign monarchs, Aus-
trian cities and communities, were in-
cluded in the sale. A large number of
costly vases, clocks, pictures and
chairs, the emperor's present of magnifi-
cent tables and vases of lapis lazuli,
and works of art presented by the Emper-
ors of China and Japan, were among the
objects sold to foreigners, particularly
Italians, who paid large amounts for
their purchases.

The Old and New Court Palaces;
the Court Stables; and a number of
famous castles, villas and estates in the
provinces were the principal buildings
sold.

**BRINGS 500 POUNDS

IN 168 MINUTES**

Mineola, L. I., Oct. 28.—Ernest M.
Allison, a pilot in the United States
Post Office air service, landed 500
pounds of western mail at Curlew
field recently after a flight of 431 miles
from Cleveland in 168 minutes. He
made a 15-minute stop at Bellefonte,
Pa. This making the flying time 183
minutes was said to be the fastest
flight made by a mail carrier. He flew
at an average altitude of 5,000 feet and

CHILD SCALDED, DIES NEXT DAY

Montreal, Oct. 28.—From the effects
of scalds, suffered when he upset a pan
of boiling water over himself at his
grandmother's home, on Tuesday after-
noon, R. Gierney, two years of age,
died the following day. Dr. J. E.
Goudreau, who treated the victim,
stated that the boy, who had been play-
ing with his grandmother since the
death of his mother some time ago,
while playing in the kitchen, upset a
pan of boiling water that had been
