

RECENT WEDDINGS

At the Main street Baptist parsonage at evening Scott Sypher, of St. John, is united in marriage with Miss Inez fanzer, of Weymouth (N. S.). The marriage was performed by Rev. Dr. David Hutchinson. Mr. and Mrs. Sypher will reside in St. John.

RECENT DEATHS

The many friends of Mrs. George R. Quigley will be grieved to learn of her death, which took place at Edmonton (Alta.) yesterday morning. Mrs. Quigley, who was formerly Miss Maud Sweeney and daughter of G. D. Sweeney, of this city, was well known in St. John as was her husband. They moved to the west several years ago where they had been residing. Mrs. Quigley had been in good health up to a short time ago and was expected to visit St. John his coming summer. The first intimation that she was ill was received in a telegram to her father saying that on April 2 she had suffered a stroke of paralysis. She never rallied from this stage and yesterday a telegram was received announcing the sad news of her death. She is survived by her husband, father and one sister, Mrs. Albert Douglas, of this city. Arrangements for the funeral have not yet been completed, but it is thought that the body will be brought to St. John for burial.

The death is announced in Shediac of Mrs. David McGovern, who passed away in Detroit. She was formerly of bedford Cape and leaves besides her husband, two sisters and one brother.

The death of Colonel George H. Pick was place at his home in Moncton last evening. He was a former I. C. R. man, it has been on the pension list for fifteen years. He took an active part in the militia and was among those who defended the province at the time of the Fenian raid.

MARRIAGE POOL

London, April 8.—Partly endowed with Miss Eleanor Rathbone's suggestion providing for the rising generation, it is admitted that our financial position makes it impossible for the state to bear the burden.

"At the same time," she told the delegates to the Council of the National Union of Societies for Equal Citizenship, we must raise the standard of life; we cannot afford to go on having a CS population.

The way in which we provide for the rising generation it, at present, inane; we provide for it by paying the same wage to the single man and to the man with a family.

"We are between Scylla and Charydis—the danger of failing to alleviate family life and the danger of breaking the back of the State."

She suggested that the only sound

MARITIME BAPTIST WOMEN'S EXECUTIVE

Preparatory to the holding of the quarterly meeting of the United Baptist Women's Missionary Union of maritime provinces, today, the executive meeting was held yesterday in the German street Baptist Institute. Mrs. W. G. Clark of Fredericton, vice-president for New Brunswick, presided. The members from other places present were: Mrs. Mary Smith of Amherst (N. S.), general treasurer; Miss Emma Hume of Hantsport (N. S.); the corresponding secretary, Mrs. A. C. Martell of Wolfville; Mrs. F. Prosser of Canard (N. S.); Mission Band superintendent for Nova Scotia; Mrs. Hubley of Tryon (P. E. I.), superintendent for Nova Scotia; Miss A. Slipp of Hantsport; Mrs. McLearn of Granville Ferry, provincial secretary for Nova Scotia. All of the provincial officers submitted very encouraging reports.

The corresponding secretary reported very successful work in the mission field in India. Sympathy with Miss Blackadder in the death of her sister was expressed. Much interest was taken in the account of the wedding in India of Miss Machum and Mr. Matheson, two of the missionaries in India. Miss Machum's husband was sent to her from her former home in North Devon. Miss Wilson, in the Bolivia mission, was reported to be well and very happy in her work although she was sixty miles away from the nearest missionary station and was carrying on alone. The Grande Ligne Mission reports were of the usual tenor. In the reports of maritime home missions, an account was given of Mr. McIntosh's very successful work at South Mountain.

The treasurer's reports told of a most successful financial year. The receipts for both home and foreign missions exceeded those of the previous year by nearly \$1,000 and the mission band report showed an increase of \$500 over the total of the previous year.

WOMAN MADE JUDGE IN SOUTH CAROLINA

Mrs. Fannie C. Scott Elected to Succeed Husband, Killed in Automobile Accident.

Greenville, S. C., April 8.—Mrs Fannie C. Scott, Greenville County's new Probate Judge, is the first woman to be chosen for an elective office by the voters of South Carolina. At a special election called by Gov. Cooper to fill the vacancy caused by the death in a recent automobile accident of Judge Walter M. Scott there was only one candidate—the widow of Judge Scott having no opposition.

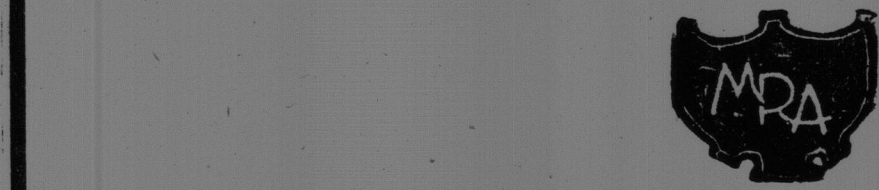

For several years Mrs. Scott had acted as her husband's assistant in the Probate Judge's office and consequently is familiar with the work. She is thirty years old, one of the youngest Probate Judges—a post corresponding to that of Surrogate in New York—ever elected in South Carolina.

MANY SLAVES HERE Immigration of New-free Peoples of Interest to Canada.

(Toronto Telegram.) Rev. T. Hunter Boyd, secretary of the "Overseas Welcome," is responsible for the statement that "nearly half the population of Canada belongs to the non-Anglo-Saxon races."

Mr. Boyd, who is overseas representative of the Presbyterian church of Canada, was present at the "Festival of Freedom," held last year at Prague, when the establishment of the Czechoslovakian Republic was celebrated. "All the fighting for freedom was not on the west front," Mr. Boyd said. "These people of central Europe have been contending for self-determination since the time of John Huss, who was not a German, but a Czech. John Huss was the first to pronounce the doctrine of self-determination, not President Wilson, as some seem to think."

In regard to the future of immigration from the Old Country, Mr. Boyd declared that everything would depend upon the action of the Canadian government. He believed there would be a big movement westward if the way was open, but at present immigration was restricted to workers on the land. He contended that Canadians should be specially interested in the newly emancipated people of Central Europe, as so many of our immigrants have come from these Slavie countries.

100,000 JOBLESS IN CHICAGO. Many Are Ill and Hungry and \$100,000 Monthly is Asked for Relief.

Chicago, April 8.—More than 100,000 able-bodied men are walking the streets of Chicago looking for work, according to a survey made by the Association of United Charities. Thousands of these men have dependent wives and children. Their savings have been used up and merchants refuse them further credit. Many are threatened with eviction from their homes, and many are ill and hungry.

The United Charities is asking for \$100,000 per month additional to care for these cases. It is said conditions are growing much worse. It is proposed to open a municipal clearing house for migratory workers and reopen the municipal lodging houses.

These conditions exist despite the fact that \$300,000,000 is ready to be put into building projects as soon as labor unions

agree to reduce their scale from \$1.25 an hour to \$1 an hour. Contractors agree to start within thirty days building projects totalling \$100,000,000 if this change is made. This would mean plenty of work for all sorts of men for a long period, and it is regarded as certain that the unions, now voting on the proposition, will accept the reduction. The union chiefs rejected the proposition but finally consented to submit it to a referendum of the workers themselves. Most of them admit it will be carried by an overwhelming majority.

The conveners of the committee, who have power to add to their number, are as follows: Mrs. Joseph Taylor, Mrs. H. Usher Miller, Mrs. Tilloston, Mrs. Emery and Mrs. Duff.
