Grand Circuit. Toledo, O., July 13.—A new world record for three-year-old pacing geldings was hung up at the Fort Miami track this afternoon, when Rife Grande carrying the colors of the Lon McDonal stable paced the first mile in 2:09, cutting a quarter of a second off the record held by Direct The Work, made at Lexington two years ago. King Watts, owned by George E. Dudley, Youngstown, O., and driven by Lon McDonal, won the Tecumseh 2:10 race, \$5,000 stake, Alta Donovan, the favorite and winner of the Tavern "stake" at North Randall having to be content with third money. Allie Ashbrook came through and won the last heat.

Calgary Earl won the 2:07 pace in straight heats while Charlie Redcap captured the 2:07 trot although in the stretch Tommy Todd came up with a rush and took the third heat. Rife Grande won the three-year-old race in one, two, three order. This gelding is also owned by Mr. Dudley.

Races at Woodstock. Some excellent races were held at Woodstock yesterday. The free-for-all was won by Oro Fino, which also clipped a half second off the track record, formerly held by Fern Hal. The various events were all closely contested. The summary follows: 2:11 Trot and Pace. Sadie Ashbourne, Hanson, Presque Isle (Mc), Jeffrey, Hanson, Presque Isle (Mc), 4 2 4. Little Peter, E. W. Russ, Carlon (Mc), 3 3 3. Dan Murphy, Dickie, Cambridge (Max), 5 5 5. Hayward, Wilkes, Never, Houlton (Mc), 2 1 1. Time—2:10 1/4; 2:16 1/4; 2:13 1/4; 2:18 1/4. 2:28 Trot and Pace. Marlon I. C. S., Spencer, Boston, 5 4 4. Dazale, McWilliam, Dunlap, Houlton, 7 7 7. Don Q. Carrie, Presque Isle, 2 1 3 2 1. College Swift, Gallagher, Woodstock, 1 1 3 d. RACES IN HARBOR

The first of a series of aquatic events to be run off under the auspices of the Commercial Club took place last evening in the harbor and brought out many citizens to witness the races. The New and South wharves were crowded as well as the other wharves along the eastern side of the harbor. Besides the large number shore several hundred additional spectators were on motor boats and other vessels that dotted the water. A party of about fifteen members of the Rotary Club were on board of Dr. J. H. Burton's large motor boat and the winner covered the course, about one and one-half miles, in 12 min. 54 sec., which was good considering the condition of the water. Hilton Belyea took the outside position with R. Belyea next to him and Silliphant in the inside. The start was made off Market Slip and they went down the harbor fairly even. Hilton Belyea was the first to turn the buoy which Silliphant a close second. On the way back Hilton Belyea pulled away and won well within himself. Silliphant finished strong with Robert Belyea about fifty yards behind him. As the water of the stake boats anchored off the Ballast wharf was very rough it was decided to start the junior singles opposite the International Steamship pier. Anthony Belyea, Grenville McCavour and Rudyard Bradley were the starters. It was a pretty race. McCavour pulled away from his rivals and won by about four lengths from Anthony Belyea with Bradley third. McCavour finished strong and looks like a coming oarsman. His time for the distance was 8 min. 38 sec. Belyea finished twelve seconds behind him. It took considerable time to get the four oared race started, as the officials waited to see if the water would become smooth. The Renforth crew had been rowing around the harbor for some time and refused to start. The Belyea crew was then made up to contest the race, consisting of Hilton Belyea, Charles Campbell, "Bud" Nice and Robert Belyea. Two of these men had already rowed in a previous race. It was after 9 o'clock when the start was finally made. The two crews raced down the harbor and at the turning boats were even. The Belyea crew used better judgment than their opponents and made a good turn, coming close to their buoy. The Renforth crew was some distance from their buoy and had to row a considerable distance out of their way to round it. If they had made a better turn the race would have been much closer. They lost about the turn but which they were unable to make up. The Belyea crew held their advantage and at the finish were still two lengths ahead, the time being 11 min. 25 sec., with the Renforth crew nine seconds behind. Both crews rowed a good race and were heartily cheered by the throngs on shore. Charles Campbell, the after-mid of the Belyea crew rowed a game race. On the way down the harbor before the turn was reached his seat jumped the slides and he rowed the greater part of the race sitting on the steel rods. The members of the Renforth crew are George Wetmore, J. O'Leary, G. Richardson and Fleming. The officials were: Referee, D. C. Cline; starter, Fred Combs; Judges, Mayor Schofield, J. A. Gregory and C. H. Peters; timers, Harry Irvin and H. W. Stubbs; announcer, G. A. Stubbs; clerk of course, J. Fred Belyea. The next event will be held in about two weeks and will be rowed in Courtney Bay.
