GOVERNMENT TO TAKE UP LABOR QUESTION

Ottawa, Jan. 12.—In regard to reports that the government has reached a decision on the question of conscripting alien labor, the prime minister last night issued the following statement:

"Any reports which have appeared in the press respecting the question of the conscription of any class of labor for any purpose whatsoever are entirely without foundation. The government has not had an opportunity to give the matter any deliberate consideration and for this reason the statements which have been appearing in the newspapers are misleading and erroneous. In the very near future the labor problem, and particularly agriculture, will be comprehensively reviewed by the government with a view to devising ways and means whereby the available labor of the country may be utilized to the fullest possible extent for all such industries as are essential to Canada's welfare."

Two members were added to the roll.

LISTLESS, PEEVISH GIRLS

When a girl in her teens becomes peevish, listless and dull, when nothing seems to interest her and dainties do not tempt her appetite, you may be certain that she needs more good blood than her system is provided with. Before long her pallid cheeks, frequent headaches, and breathlessness and heart palpitations will tell you that she is anemic. Many mothers as the result of their own girlhood experience can promptly detect the early signs of anemia, and the wisest mother does not wait for the trouble to develop further, but at once gives her daughter the Pink Pills, which remove the blood supply and banish anemia before it has time to do its worst. The difference that good red blood makes in the development of womanly health, every young woman for herself can testify to. Give your daughter Dr. Williams' Pink Pills, and take them yourself and you will promptly find their influence is felt in better health.

You can get these pills through any druggist in medicine or by mail, postpaid at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

RECENT DEATHS

The Late Wm. H. Brittain.
William H. Brittain who died at his home, West End, on January 10, was one of the best known residents of that portion of Queens county. He had been engaged in farming and was a genuine worker for many years. Mr. Brittain was born on April 10, 1865, was a son of the late John Brittain of St. John, and in his fifty-second year. He is survived by his mother, now a resident of St. John, and by two brothers, James and Ernest, both of this city, the latter of the fire department, and one sister, Mrs. A. Cunningham. His only daughter, William Harold and Norman W. also survive. Mr. Brittain was a Presbyterian. For years he was an active worker for the Conservative party. The funeral was held today from his late residence at Westford, burial in Mount Hope cemetery.

Canada's Wonderful Honor Roll

CONTAINS THE NAMES OF OVER 400 000 MEN WHO HAVE ENLISTED TO HELP FREE THE WORLD FROM OPPRESSION AND MAD MILITARY AMBITION

But there is a longer list than that by far. There are over 2,000,000 Fathers, Mothers, Brothers and Sisters of those Men who have gone to the Front, who have endured the sorrows of parting, who have gone through the agony of apprehension without a murmur, and who have shown a fortitude but a little short of the self-sacrificing heroism of the Men at the Front.

These Next of Kin of the gallant Canadian Soldiers at the front, or who are destined to go there, deserve the recognition of all Canadians and are entitled to be on an Honor Roll of imperishable fame, for they have made sacrifices most cheerfully, and have endured much that Right and Liberty may triumph.

That the relatives of the men in khaki may show a tribute of honor and respect to their loved ones a most suitable "IN HONOR" BADGE has been prepared at the suggestion of the leading newspapers of Canada, similar to the designs herewith shown.

That these Badges may be the last word in quality of manufacture, in beauty of design, and in appropriateness to the great cause for which they will be worn, the firm of Henry Birks & Sons, Limited, of Montreal, were invited to be the sole manufacturers of these badges.

They are made of bronze, very dainty and attractive, and are most fitting tributes of respect to those who have enlisted.

These Badges are now ready for delivery, and can be secured through the use of the Order Form below, and in no other way except from the newspapers interested. Send in your order while our first consignment is available.
