BASEBALL.

International to Meet.

Rochester, N. Y., Mar. 20—Charles T. Chapin, president of the Rochester base-ball club, as chairman of the board of directors and acting president of the International League, has called a meeting of the directors of the league for March 27 at the league headquarters in New York city.

Sunday Bill Passed.

The daylight saving bill will also have a favorable effect on racing because numerous racing patrons who are unable to get to the track at 2.30 will be able to be there if the races begin an hour later, at 3.30. All outdoor sports will benefit by the new bill, and for that remaining a determined effort to smash the British front. Forty divisions or about 400,000 Teutonic troops are in the fight.

The daylight saving bill will also have a favorable effect on racing because numerous racing patrons who are unable to be there if the races begin an hour later, at 3.30. All outdoor sports will benefit by the new bill, and for that remaining the fight.

The daylight saving bill will also have a favorable effect on racing because numerous racing patrons who are unable to get to the track at 2.30 will be able to be there if the races begin an hour later, at 3.30. All outdoor sports will benefit by the new bill, and for that reason promoters of all kinds of athletic pastimes look for a prosperous season.

President Ban Johnson of the American League thinks the later start will end to smash the British front. Forty divisions or about 400,000 Teutonic troops are in the fight.

The daylight saving bill will also have a favorable effect on racing because numerous racing president of the fight.
