The game was a good one from a spectator's standpoint, being full of hitting and sharp fielding. The Everett team is a most gentlemanly one, and put up good clean ball, rowdy work and squabbling with the umpire being not in their line. Umpire Smith, as usual, gave splendid satisfaction, not one of his decisions being questioned.

The kore follows:

mind, is this training of the younger ruen. It is no good, because a few exceptional examples may be quoted, to say that any strong and healthy man of two or three without any preliminary trouble. As a matter of fact, almost as much practical experience, is needed by the novice with the oar as with the fencing foil. Rowing the property of the proper ing is not a matter of mere slugging. Brute trength will not move a light boat through the water, even when she is broader in the 2 1 beam and six feet shorter than the old models used to be. This has rarely been se clearly proved as when W. A. I. Fletcher, of Oxford, took up the task of teaching Cambridge men the finer points of rowing. .. 5 0 1 0 12 0 1 refsherency, vigorously, patiently, he drains 42 5 11 3 27 17 8 wrist, the flat swing back of the outside wrist to an uncramped finish, the steady backness swing, the arm-reach, the proper taken swing, the arm-reach, the proper taken statement swing, the arm-reach, the proper taken swing at full stretch, the instantaneous spring and heave of the body weight direct from the bodls with a free weight threat from the beets with a free swing back, the elastic belease of hands and body on the recovery. Even now I have scargely enumerated half the points which go to make a perfect style, and I he performs them instinctively and without

## REGATTA COURSE AT SHAWNIGAN

The above cut represents the course at Shawnigan Lake, over which the various events in the N. P. A. A. O. regatta will take place on Friday and Saturday next. In regard to this course it night be mentioned that one of the J. B. A. A. junior crew at Shawnigan Lake, in a letter to an official of his club, says that it gives perfect satisfaction from a competitors' point of view, and will leave nothing for which spectators could wish. The letter also contains much interesting but confidential news as to opponents' practices, form and condition.

The weather is most favorable, and the junious are practicing hand.

B. Springer, of the Vancouver fours, also telegraphs to his club that the course is the best they ever had.

MILWAUKEE WON.
