Toronto, June 19.—The movement for through the straits and failed to find a ers. Toronto, June 19.—The movement for the district of the congregational lead to eastward or westward by which ists and Presbyterians was begun here last night in the Presbyterian general assembly, in an address before it by Rev. T. B. Hyde, president of the Congregational Union for Ontario and Quebec. The speech was warmly received Mr. Hyde said the well of division of the control ceived. Mr. Hyde said the wall of division was not of Congregational erection plies and fresh water.

or maintenance, and young men were The Portland sailed from Seattle for or maintenance, and young men were constantly breaking through. A resolution by John Charlton, M. P., for one gers, 46 of whom were from San Frantrol of Presbyterian churches, instead of the present number of theological colleges, seconded by Rev. R. G. Mc-Beth, was introduced this morning. At the assembly this afternoon, a resolution presented by The Merchant School, and the Steamer Haytien Republic. presented by Dr. Murray, Halifax, was adopted, extending greetings to the gen-

eral assembly of Australia on the recent union happily effected within the bounds of that commonwealth. Principal Caven presented a memorial from the Society of Christian Unity, asking for the ap pointment of a committee to confer with nilar committees of other churches to endeavor to secure, if possible, an arrangement by which unnecessary expen-

Street Railway Troubles.

The Street Railway Company this af ternoon handed out a statement of its position as submitted to the employees who will hold a meeting on Friday night to consider the subject. The companimade the following offer to the commit : 1. Wages be increased as follows cents; third, fourth and fifth, 17 cents

pany undertakes to prevent, as far as possible, any injuries for men having to suffer by reason of being suspended without just cause and that all shall have right of appeal, without prejudice to their positions, to the general manager at any time. The proposed increase of wages means an addition to the wages account of nearly \$10,000, as out of nearly 1,000 employees, 208 will be entitled to 20 cents per hour and 244 to 21 cents. The Street Railway Company appreciates what the Board of Trade committee has done in the way of endeavoring to bring about a compromise to allow that board to arbitrate as to the relations between itself and employees. The men show a disposition to insist on further conces-sions. What they specially object to is

that the company's unmatum, for so it may be regarded, is failure to advance wages of low priced men, of whom there are several hundred, and who are paid at the rate of 17 cents an hour. Work is being so arranged that they claim the wages of low priced men, of whom there are several hundred, and who are baid at the rate of 17 cents an hour. Work is being so arranged that they claim the bilk do not receive more than \$6 or \$4' weekly. They ask also shorter hours and recognition of the union, but it is generally believed they would drop both

DOES NOT EXPECT ANY PRACTICAL RESULTS

Says Imperial Government Should Intimate What Proposals It Is Willing to Sapport.

London, June 21 -Much interest is heing manifested in the approaching con-Ottawa, June 20 .- A suit has been ference with the colonial premiers who The trade and commerce department re-The trade and commerce department recorted in favor of payment, but the
auditor-general refused payment on the
the feasibility of preferential tariff with ground that it should be weighed when the colonies, and when introducing meascold and not hot, as was the case. The ures tending to such an end it has warded off discussion on the ground that it would not be fair to do or say anything until the colonial premiers had a chance to announce their views on the subject. In short, the government's whole Imperial policy has been waiting in the balance ntil the premiers had gathered together. Unfortunately for the government, the premiers had already practically come to a decision that they would refuse to make any suggestions until the Imperial government puts forward its own inten-tions. That is exactly what the cabinet ot only does not want to do, but cannot

representative of the Associated Press: "We have no say in the fiscal policy of Great Britain and have not always com-plete control of our own. Obviously it is the duty of the mother and governing country to make propositions to us in-stead of our making propositions to it. We might sit for months and eventually arrive at a conclusion satisfactory to all the colonies, although it would be dim-cult, and then find that the results of our absent in the Meditterranean, this week would have been marked by important developments in the final stages of the Atlantic shipping combine. All the heads of the companies, including Bernard N.

Raker president of the Atlantic transportations. the exchequer, has openly declared his hostility to the idea. So, what is the days and nights, by Captain McNealy and his crew.

The Monkbarnes left Liverpool on that it is likely that sweeping and that it is likely that sweeping the sake of holding up Mr. Chamberlain's hands into the empty air? It is very nice January 22nd. All went well until February 21st, when at 4.30 a, m, smoke was discovered coming out of the vention of the vent lators leading to the forehold. An investigation revealed the fact that the will be greatly to the public's convenience The only end likely to be achieved at

westigation revealed the fact that the cargo was on fire. Four holes were cut in the deck and water was pumped on the blazing merchandise until the flames were subdued sufficiently to allow sailors to descend into the hold, fix tackle to the smouldering bales and hoist them to the deck whence they were promptly thrown overboard. Nearly all the cargo in the forehold was jettisoned before the fire was extinguished. Little harm was done to the hull of the ship.

The cargo in which the fire started by spontaneous combustion consisted of sakum, felt and chemicals.

Will be greatly to the public's convenione and economy. Before long the benefits of the combination will become patent to every individual crossing the Atlantic.

"As to the rival all-British combine, I they will be reached Presselearns that Sir Wilfrid Laurier, the Camadian premier, Sir Robert Bond, premier of Newfoundland, and Mr. Chamberlain intend to thresh out their long standing differences of opinion, and on all sides they intend to depend on increasing government subsidies rather than on diminution of expenses and imprevement of the service, I think they are mistaken. But I suppose they know what they are about. We are not worrying.

"One of the motives attributed by a section of the English press as constituting the necessity for an all-British trust, namely, the likelihood of the Morgan organization putting all its yessels under the motive of the public's convenion. The cambination of the service, I think they are about. We are not worrying.

"One of the motives attributed by a section of the English press as constituting the necessity for an all-British combine, I they will be reached regarding the Bond, premier of Newfoundland, and Mr. Chamberlain intend to thresh out their long standing differences of opinion, and on all sides there is hopeful and the United States. The Larns that Sir Wilrid Laurier, the Camadian premier, Sir Robert S organization putting all its vessels under the American flag, is perfectly absurd. We would not do it if we could, and we cannot."

Ran boundary and the re-meeting of the joint high commission are involved. The latter is likely to make the Hon. Michael Henry Herbert, British ambassador to the United States, a party to the nego-
