on and his observations led to the con-viction is his mind that owing to the

Mr. Smith then put the vote of thanks to the Meeting, which was unanimously

arried.

In acknowledging it Mr. Watt expressed the belief that the fishermen would now get justice at the hands of the Department. He said it seemed, by the statement of the Deputy Minister, that the fisheries of the St. John had been destroyed right under the nose of the Inspector for the Province, which did not reflect much credit on his efficiency. We should be thankful that a different condition of things prevailed on the Miramichi.

Three cheers and a tiger were the
