Tartars, 7; Portlands, 5. At the Shamrock grounds yesterday afternoon the Tartars of Fredericton defeated the Portlands in a ten-inning contest, which gave the spectators a good run for their money. While the majority would doubtless have liked to have seen the home team win, they were satisfied with the afternoon's amusement and could hardly expect any other result with the pitchers available.

available.

Malloy was in the box for the visitors and did magnificent work, holding the Portlands down to seven hits. Mc-Cormick essayed to do the twirling for the locals and went to the bad in quick time. He was followed by McLeod. There was a general feeling that the Portlands should have put a pitcher in at the start of the game instead of allowing an outfielder and backstop to do the work. Trecartin was on hand, but was not used. Howard and Titus could not get away from their business to play.

The game this evening between the St. Josephs and Franklins has been postponed. A team from the warship Detroit is endeavoring to arrange a game with the Franklins.
