FOUR LIVES LOST IN AWFUL TROLLEY MISHAP IN ONTARIO

Two Loaded Cars Come Together at Fair Grounds

Breaks of One Refused Work and It Dashes Into Another

Appalling Scene Follows Collision—Few Escape Unhurt

CHATHAM, Ont., Aug. 10.—A fearful street car accident happened here at 10.30 this morning, resulting in the death of four persons, and the frightful injury of eight. Today is a civic holiday here, and the Salvation Army planned a monster excursion via the Chatham, Wallaceburg and Lake Erie Electric line to Erie Beach Park, on Lake Erie, directly south of the city. Two loaded cars left the city at ten o'clock, the passengers taking up every inch of room. The cars ran close together. When Queen street south was reached, the first car forged ahead, but when opposite the fair grounds it stopped, presumably to let off or take on a passenger.

Coming at Full Speed

The car in the rear was bowling along at full speed, and at a critical moment the brakes refused to work. Terrific excitement reigned on the cars as the impact seemed inevitable, but scarcely anyone could jump because of the crowded condition of the platforms. When the crash came the rear platform of the forward car was smashed to splinters, as well as a portion of the body of the car. The fate of the rear end passengers is beyond description, arms and legs being severed in a fearful carnage.

William Brownhead, musician, of Detroit, and William, the little son of

Don Donovan, were killed outright. Michael and James Plaisance were so terribly injured that they died soon after. Miss Donovan, a sister of the little lad who was killed, is not expected to recover.

These killed were terribly mangled by the impact of the cars, which literally ground them to pieces. Brownhead's head was severed from the body. Donovan was crushed almost beyond recognition. Michael Plaisance had both legs taken off at the hip, while his brother James had one leg and one arm taken off.

Miss Martha Henry had her back injured and both legs broken. She is not expected to live. Besides having his son killed Daniel Donovan had four other members of the family injured. His wife, two daughters and infant son all had legs broken.

According to a statement of an eye witness it seems that after the first impact the rear car bounced back and then because of a slight down grade of the track it plunged forward again, crushing the fallen passengers until it stopped. The forward car a second time. Apparently the brakes were useless.

COMPANY DECIDES TO PURCHASE BOAT

River Steamer to Replace Aberdeen Will Be Secured in Ontario

The Washadenook Steamship Co. have decided to purchase a boat to replace the Aberdeen. Steps will be taken at once to locate a suitable steamer. Several offers have been made and it has been decided to commence this week to select. Engineer Hutchinson will leave on Wednesday for Ontario, where he will inspect a boat which is believed to be satisfactory.

The steamer in view is built somewhat similar to the Sincennes and is believed to be a fast river craft. If the steamer is suitable it is altogether probable that she will be placed on the route this fall.

Miss Audrey Bullock is visiting friends in Picton.

AMUSEMENTS.

TRICENTENARY PICTURES AT THE UNIQUE.

Those who did not have an opportunity of visiting the Unique Theatre should not allow anything to keep them away today. The pictures of the great celebration at Quebec should be seen by every citizen of St. John. Those pictures are entirely different from the ones shown at the Nickel, and those who see one should not miss seeing the other, as neither of them give the complete programme and both should be seen in order to comprehend the magnitude of this historic event. The management of this popular theatre request parents to send their children this afternoon as they will then have a better opportunity to enjoy the pictures, and avoid the crush in the evening. Some of the scenes are: Sir Wilfrid Laurier welcoming the visitors, Prince of Wales reviewing the troops, a view of the warships of three nations in the harbor, and many others. Do not miss this great picture, as today will positively be the last time it will be shown in St. John. Two other new pictures and two new songs complete the programme. Miss Outous is singing "Won't You Come Over to Philly, Willie," and Will Harrison, "She Was a Grand Old Lady."

WHAT WAS YESTERDAY WILL BE TODAY AT THE BIJOU.

Take in the show at the Bijou yesterday. There were hundreds who did not get a chance to see the show, and glad that they had was attested by the pleased faces and little complimentary remarks that were passed on the way out. The Bijou's going to run the same pictures again today, so, if you're a lover of good pictures strain a point to see them now. Really amazing were the dreams of the man who after spending the evening with his friends over the "What Cheers" as depicted in "What Comes From a Night Out," so amazing that some of the audience took it for the real thing. The picture is a picture of our friend's face when he was awakened by his wife. "Mashing the Masher" brought down the house with its amusing incidents and there was many a woman who only wished she could have gotten her hands on the girl who is known as "The Wolf." The other three pictures (you know the Bijou is showing six pictures) are entitled "An Episode of the Franco Prussian War," "Skillful Policemen" and "The Deceivers" are all good ones, and if they were not shown at the Bijou would still have a show left that would hold its own as one of the best. Mr. D. Higgins sang in great style each show yesterday, and astonished many of the admirers in his rendition of "I wouldn't change you, Sweetheart," a new girl now. The wildest enthusiasm was aroused over the Prince of Wales, Lord Roberts, Lord Strathcona, Earl Grey, Sir Wilfrid Laurier, R. L. Borden and others, and the military and naval views were alike enlightening. All the while the crowds yesterday and every number on the programme was well received. Morris Smith, the black faced comedian, proved to be all that was desired. With a very funny make-up, Mr. Smith kept the audience in roars of laughter with his witty sayings. His jokes are all brand new and his singing the best in his line ever heard in the city. Besides being an excellent monologist, Mr. Smith is a wooden soled dancing artist that is hard to beat. The black faced performance certainly made a hit. Madame Demby, a silver-toned mezzo-soprano, was heard to good advantage in some difficult grand opera selections and made a decided impression. "When the World Moves On" is a very pretty song with handsome hand painted slides and it is rendered by Harry Newcombe in his usual good manner.

The moving picture programme, in addition to the above programme, is a good one. "The Girl Nihilist" is a Russian drama which is exceptionally well acted, and the scenes are taken in Russia. The picture shows Russian cruelty in its well known dress and the film is one of the strongest yet presented.

"A Wolf in Sheep's Clothing" is a comedy drama, and like a picture entitled "Follow the Leader," has many amusing features. This excellent entertainment will be repeated today.

ORATORIO AND OPERA NUMBERS A HIT AT HAPPY HALF HOUR.

Large crowds were present at the Happy Half Hour last evening, and the S. R. O. sign was in evidence. It seemed as if all the choir singers and musicians in the city were present, for many of the best musicians had made special requests for the selections that Miss Holmes and Mr. Buchanan were advertised to sing. Miss Holmes sang "Scenes That Are Brightest," from Maritana, and the encores demanded showed the appreciation of the audience and is the best criticism that can be given.

Mr. Buchanan sang the recitative, "Ye People Read Your Hearts," and the aria, "If With All Your Hearts," from the oratorio Elijah, and the tumultuous applause that followed was deafening. Owing to the fact that Mr. Buchanan had left a sick bed to sing requests were made by the management that the audience not insist on encores, and had not been done there is no telling how many encores would have been demanded. As it was many announced their intention of coming again this evening. This afternoon Mr. Buchanan will sing "I Trawl Were Pearls," and the sacred selection in the evening. The pictures were exceptionally good. Over The Hills To The Poorhouse is a very pathetic drama and many in the audience were seen to dry their tears. The Transformation Artist is a picture of M. Richard, the famous French vaudeville artist in his act. The Story of King Froggoli is a trick picture, and richly hand colored.

Prof. Titus was heard to splendid advantage in "Voices Of The Past," and Jerry LeRoy sang "When The Bluebirds Nest Again," both singers receiving generous applause. Same show today. New one tomorrow. Lovers of sacred music should attend this evening.

by many of their patrons as being the best artist yet seen in that theatre. Mr. Dillon will appear every afternoon and evening. Special mention may be made of the beautiful hand colored picture "Love and Fortune." Another beautiful picture is "The Poor School-mistress." Two other pictures make up the programme. Mr. Percy Sayce had to respond to several encores last night in that most popular ballad, "When the Harvest Moon is Shining." Matinee every day at 2.30. Admission 5c.

AT THE OPERA HOUSE.

Dr. A. J. Harpin, of the famous Plymouth church quartet of Worcester, Mass., is to be one of the soloists with the Worcester board of trade glee club. Dr. Harpin is not a regular member of the club, but by permission of the Plymouth church committee, is given leave to accompany it on its tour as soloist. He has sung at the Worcester music festival and is considered one of the best singers in New England. The club are booked to give a concert at the Opera House, Wednesday, Aug. 12th. The Miss Petticoats Co., which is booked for the Opera House Friday and Saturday and Saturday afternoon of this week, is said to be one of the best dramatic troupes of the season. The sale of seats opened yesterday and was very large for an opening.

LAST TIME FOR QUEBEC PICTURES.

Be good and early in attending the Nickel tonight for the Quebec Tercentenary pictures are to be shown for the last time. This is a series of motion photographs on truly loyal Canadian subjects, and is well worth seeing. It is especially instructive and edifying. Yesterday everybody was a Canadian. The wildest enthusiasm was aroused over the Prince of Wales, Lord Roberts, Lord Strathcona, Earl Grey, Sir Wilfrid Laurier, R. L. Borden and others, and the military and naval views were alike enlightening. All the while the crowds yesterday and every number on the programme was well received. ENJOY XCURSION TO HOPEWELL CAPE

Eighty Residents of Joggins

Mines on Jaunt Across the Bay

LUMBER TRADE DULL

HOPEWELL HILL, N. B., Aug. 10.—About eighty of the residents of the Joggins Mines enjoyed an excursion across the bay on Friday to Hopewell Cape, in the steamer Wilfrid C., spending the day very pleasantly at Albert county's pretty shoreline. The party visited the Rocks and other points of interest, including the county jail and some of the recent excavations. Colossal and considerable attention. The excursion was made under the auspices of the Old Fellows and Rebecca Lodge of the Joggins.

The lumber business is particularly dull this summer. The steamer Gogvale has been at Hopewell Cape for nearly four weeks and has only about a third of her cargo aboard.

Miss C. L. Paine, of Boston, who spent several weeks at the Cape last summer, arrived yesterday, accompanied by two friends, and will again spend a few weeks at the Albert house. Miss Paine made many friends last year, who are very pleased to have her back again.

Mrs. Geo. C. Hamilton, who has been visiting her mother, Mrs. Cook, at the Cape, has returned to Boston.

The Albert baseball team got badly trimmed at the Joggins on Thursday, the score being 14 to 1 in favor of the Joggins boys.

Mrs. Frank Doull and Miss Annie McGregor of Halifax, are visiting Mrs. W. S. Hall at Riverside.

BURGLAR SUSPECTS BELONG TO ST. JOHN

Three Were Sent Up for Trial at Woodstock

YESTERDAY

ENTERED MANSE

WOODSTOCK, Aug. 10.—In the police court this afternoon John Ferguson, Harry Green and James Welch were given their preliminary examination on the charge of stealing several articles from the manse at McKenzie Corner and from the residence of Jas. Martin. The men were represented by counsel, but pleaded "not guilty."

A. B. Connel, K. C., appeared for the crown. The evidence of Ernest Oldenburg, C. W. Dickinson, James Martin and Rev. R. Augustus McDonald was taken. The first two told of capturing the prisoners and the others identified certain articles found on them. No evidence was offered for the accused. All three were sent up for trial. They claim to be St. John men.

STILL SUFFERING FROM DRY WEATHER

Manitoba Needs More Rain—

Grain is Not Filling Well.

CUTTING STARTING

WINNIPEG, Aug. 10.—Copious rains in various parts of Manitoba during the past two days have relieved the drought, but many sections of the province are still suffering from dry weather. Grain is not filling well while the tops of the heads are drying up, cutting down the yield and spoiling the sample. Within three or four days cutting will be general in all the country south of the C. P. R. main line. The threatening of winter wheat began at Leithbridge this morning and the sample is an excellent one.
