BURGERS ENTER PRINCE WILLIAM STREET STORE

D. K. McLaren's Premises Broken Into at Early This Morning—Work Rewarded by D. J. a Dollar in Cash.

The office and warehouses of D. K. McLaren, Limited, on Prince William street were entered by a crook early this morning and besides damaging a roll top desk about five dollars in cash was stolen. This morning when the office boy tried to open the office he found the Prince William street door barricaded with two cases and a broom. He telephoned the circumstances to Andrew Hunter, the manager, and then the burglary was discovered. It was found that a hole two inches in circumference was bored in the back door, which is reached from a yard off Church street. Through the hole it was easy to raise the bar of the door and allow an entrance. The placing of the cases and broom against the door was probably done to prevent a surprise. The crook opened all the drawers in the desks and finding Mr. McLaren's cash drawer locked an axe was brought into use, and the top of the desk was broken open and about five dollars was stolen from the cash box.

The thief left a knife and a pair of steel pliers behind him. Mr. Rennie communicated with police headquarters and Detective Killen is working on the case.

Mr. Rennie says he was in the office about eleven o'clock last night and everything was all right then.

On Sunday evening, January second, the home of Mrs. Margaret Stevens, on Waterloo street, was entered. In this case about a two or three-inch hole was bored in the front door and the lock turned from the inside. Mrs. Stevens and others were at church at the time and the house was ransacked and a number of articles stolen.

WAS THE DAUGHTER OF A LOYALIST

Death of Mrs. Mary D. Clark, of West St. John, City of One of the Oldest Residents.

St. John loses one of the few surviving first generation descendants of the Loyalist settlers of the city in the late John D. Clark and was a daughter of the late Capt. Wm. Clark, of Carlton. In spite of her advanced age she is survived by one son, Geo. Craft of Millidgeville, and one sister, Mrs. McCaffrey of West St. John. She also leaves four sons: George A. E. Clark, Thomas W. Whitney S. all of West St. John; daughters, Mrs. John H. Cogswell of Truro, Mrs. Elliott McCallum, Mrs. MacKenzie and Mrs. John Harriet of West St. John.

The deceased was a life-long resident of St. John and was highly respected and esteemed by a large circle of friends. She was a faithful member of the Loyalist Baptist church, having been a member for 53 years.

The funeral will be held at her son's residence, 13 Prince street, at St. John, on Monday afternoon at 2:30. The services at the house will commence at two o'clock.

MR. SUMNER'S SOLUTION OF TELEPHONE TROUBLES

Sigge's That Company be Taken Over by Provincial Gov't—No Hopeful of Success of Scheme However.

A suggestion that the business of the New Brunswick Telephone Company be taken over by the provincial government came from Fred Sumner, one of the largest stockholders, who was in the city to attend Thursday evening's meeting of the company.

"With the present rates," said Mr. Sumner, "it is impossible to maintain the company as a business proposition. I did not put my money into it to draw a meagre six per cent, but it will not even pay that. The service given is the best I have ever seen in any part of the country. It is too good now to afford a paying proposition, and if the public is lacking now, the only way to retain the system is through its purchase by the government. I, for one, would be glad to dispose of my holdings."

Mr. Sumner was at the same time rather pessimistic as to the success of the government as a telephone concern. The public would find, he said, that a good service could not be maintained by a government at any cost, and to run it without a large annual deficit would be that of the question. It had been his own experience that municipal ownership was never a success.
