

HAIR

HELP

So many persons have hair that is stubborn and dull. It won't grow. What's the reason? Hair needs help just as anything else does at times. The roots require feeding. When hair stops growing it loses its luster. It looks dead.

Ayer's Hair Vigor

acts almost instantly on such hair. It awakens new life in the hair bulbs. The effect is astonishing. Your hair grows, becomes thicker, and all dandruff is removed.

And the original color of early life is restored to faded or gray hair. This is always the case.

\$1.00 a bottle. All druggists.

"I have used Ayer's Hair Vigor, and am really astonished at the good it has done in keeping my hair from coming out. It is the best tonic I have tried, and I shall continue to recommend it to my friends."

MATTIE HOLT, Burlington, N. C.
Sept. 24, 1898.

If you do not obtain all the benefits you expected from the use of the Hair Vigor, write the Doctor about it.

Quarterly Meeting.

The Lunenburg Co. Quarterly Meeting met with the North West Baptist church Oct. 8th and 9th. Pastor Frank Dresser of Tanook preached the opening sermon. The subject was "Confessing Christ," and his message was well received, for many in the after-meeting confessed their Lord. Pastor Jas. Porter of New Canada opened the first session of Tuesday by a devotional meeting in which quite a number took part. President H. B. Smith of New Germany then called for the reports from the delegates. Although the weather was stormy quite a number of delegates were present and gave encouraging reports of the Lord's work in the various churches. The Rev. E. P. Churchill who has removed from Bridgewater during the quarter was much missed as he always took an active interest in the work of the county. The best wishes and prayers of his many friends of Lunenburg county go with him for success in the prosecution of his studies. Pastor Jas. Bleakney of Pleasantville gave a very helpful address on "The relation of pastor to the church." We are sorry that more did not hear the treatment and discussion of this important subject. Pastor Porter followed with paper on "The importance of praise in all our churches." He showed how often song reached the heart when other parts of the service did not. The subject of the evening was "Prayer," treated in a thoughtful and impressive manner by Pastor H. S. Erb of Lunenburg. The president then led an evangelistic meeting in which many took part. We very much enjoyed the presence and assistance of Rev. J. C. Bleakney who is supplying.

Sunday School Convention.

The Lunenburg Co. Baptist Sunday School Convention convened with the Mahone Baptist Sunday School Oct. 11th. In the absence of the president, Rev. H. B. Smith was appointed chairman. The selection of officers for the coming year resulted

in the reappointing President Bass as President, W. B. Bezanson Sec'y-Treas. Rev. Jas. B. Bleakney gave a very earnest address "The Conversion and Christian Culture of Children," by his treatment of the subject we were led to realize the importance of the matter. In the evening Rev. H. B. Smith addressed the meeting on "The Sabbath School as a factor in our national life." This was a thoughtful and instructive treatment of the subject. Rev. J. C. Bleakney followed with a very enthusiastic address on temperance. The choir added much to the interest of the meetings by rendering appropriate selections.

Notices.

The next session of the Shelburne County Quarterly Meeting will be held with the church at Lewis Head on November 13th and 14th. First meeting on Tuesday at 10 a. m. The services will be largely evangelistic. A good programme has been prepared and it is hoped there will be a full representation from the churches.

S. S. POOLE, Sec'y.

N. B.—The above meeting is postponed from 6th to 7th to 13th and 14th on account of elections.

The Yarmouth county Quarterly Meeting is postponed till December in consequence of the occurrence of the Dominion elections on the date which would have otherwise suited our purpose.

Clothing Needed for Galicians in Manitoba.

There are about 2000 Galicians settled 30 miles east of Emerson, Manitoba. New comers are continually joining this colony. The poverty of many of these people is indescribable. Our missionary, Bro. Burdett, could use some boxes of clothing to great advantage in his work amongst these people and poor Germans on his field. Any Mission Circle or Band or any other missionary organization could do a great mission work by collecting second hand clothing and forwarding it for these poor people. Strong clothing for men, women and children, and bed clothing would be very serviceable. Send boxes or parcels prepaid to Pastor H. G. Mellick, Emerson, Manitoba.

McClure's for November.

Perhaps the most timely article in McClure's Magazine for November, is a Woman's Diary of the Siege of Pekin, by Mrs E K Lowry, one of the besieged missionaries in the legations last summer. This vivid narrative by an eye witness of most of the events described is sure to command attention at a time when the eyes of all the world are turned to the Far East. It is in a true sense history from original documents.

Instructor Charles R Eastman, of Harvard University, was arraigned at Cambridge on Friday on the charge of murdering Richard Grogan, jr., his brother-in-law, by shooting on July 4, 1900. He pleaded not guilty, and was ordered to be held in the custody of the sheriff until further notice from the court.

Radway's Pills

Always Reliable. Purely Vegetable.

Always Reliable. Purely Vegetable. Perfectly tasteless, elegantly coated, purge, regulate, purify, cleanse and strengthen. Radway's Pills for the cure of all disorders of the stomach, bowels, kidneys, bladder, nervous diseases, dizziness, vertigo, constipation, piles.

Sick Headache, Female Complaints, Biliousness, Indigestion, Dyspepsia, Constipation and all Disorders of the Liver.

True Comfort for the Aged and others afflicted with costiveness and paralysis of the bowels.

Dr. Radway & Co.—As an introduction I must make the following remarks. Had each one of the lawmakers of our country the virtues and power of your pills, America would soon become a paradise. That your pills would conquer the obstinacy of my complaint is more than wonderful. The movement of my bowels is as regular as the works of a good watch. I began with four pills and decreased to two, and for a long time took one two hours before dinner and have a watery movement of the bowels every morning. It is seven weeks since I have taken any of your pills, but still have regular movement every morning.

Kind gentlemen, I wish further to tell you: A poor washerwoman that suffered from a tumor and would have paid \$50 for an operation, I dissuaded from doing so. Owing to her tumor she was obliged to stay in bed, but now has gone to Pennsylvania, cured through taking your pills and Resolvent as you direct in your treatise on tumor. Respectfully,

A. WITMER,

542 E. 134th street, New York.

Dr. Radway & Co.—I got a box of your pills two weeks ago and I have wondered since how it was that I have lived as long and never tried them before. Some one gave me one of your almanacs and I read it through. I have used nearly every kind of pill, and never found any like them. They suit me to the letter.

Yours,

HENRY CROWLEY,

2205 Kimball street, Philadelphia, Pa.

Messrs. Dr. Radway & Co., New York: Gentlemen—Please send me by return mail one box of your pills, for which you will find 25 cents enclosed. Having had a box before I would not be without them. They are something every family should have. Yours truly,

T. A. PETERS,

Lancaster, Pa.

ONE TO THREE OF RADWAY'S PILLS, once in twenty-four hours, will secure regular evacuations from the bowels. Persons who, for twenty years have not enjoyed a natural stool, and have been compelled to use injections, have been cured by a few doses of Radway's Pills.

PERSONS ADVANCED in life often suffer from indigestion, and from paralysis or inability to evacuate from the bowels; likewise from urinary difficulties. We have the evidence of a large number of aged persons, from 60 to 80 years of age, who had been compelled to resort to injections to empty their bowels, have been cured by the use of Radway's Pills. Two or three pills every night, in all cases insure a natural evacuation from the bowels and the regular flow of urine. In cases where there is irritation of the bladder, the Resolvent should be used alternately with the pills. If these organs are kept regular, life may be extended to a much longer period. By keeping the Liver, Stomach, Bowels and Kidneys in a healthy condition, the blood will continue pure and dissolution checked. If Radway's Pills and Resolvent are used by the aged, life will be prolonged to the full measure of time. Another great end is secured by nourishing the body with these remedies—the faculties will remain in a healthy condition. A weak, feeble and decaying body entices the intellect and clouds the brain.

Price 25c. per box. Sold by druggists or sent by mail. RADWAY & CO., 7 St. Helen st., Montreal. Be sure and get "RADWAY'S" and see that the name is on what you buy.
