VULCAN DEFEATED.
 A fine game of ball was played on the Exhibition grounds last evening when the McAvity (King street) team defeated the Vulcans by a score of 12 to 7. There were some fine plays during the game of six innings. Kelly made a home run while Marshall, who is the star fielder of the Carleton team, made three 3-baggers. Henderson's fine fielding was also a feature. The batteries were Vulcans, Sander and Board; McAvity's Pooley and Burns.
 This evening the McAvity's (Water street store) will play the Vulcans.

 The Long Wharf Stars defeated the North End Cubs last evening by a score of 8 to 5. The game was played on the Long Wharf diamond, and went seven innings. The batteries were, for the winners, Jacobson and Corrigan; for the losers, Ramsay and Halsey.
 The Stars wish a game with the East End Clippers any night next week on the Long Wharf diamond.

SHARKEY PLAYS PONIES.
 Tom Sharkey, once a Queensberry warrior of note, is one of the most successful players at the track these days. The one time sailor pugilist beat the entire card on Tuesday, increasing his wagers as he went along. Tom was all smiles as he rushed for a train after he saw his sixth straight winner go down in front. "Say, if I'd known that this game was going on in the old days, I'd never have been a fighter," he said. Although Sharkey is getting along in years, his spread of shoulder is as great as ever and his neck as sturdy. He still punches the bag every morning and takes long walks and runs just for the pleasure of keeping in condition. Sharkey boasts that he can run 100 yards in 14 seconds, a feat that many a lighter and younger man could not accomplish.

A TENNIS VICTORY.
 Newton, Mass. July 30.—R. Norris Williams, 2nd won from R. C. Harte today in the final match of the annual single tennis tournament of the courts of the Longwood Cricket Club. It was a straight set victory, 6-2; 6-4; 6-4. Williams met William Johnson, of San Francisco, winner of the 1916 tournament, in the challenge round for the Longwood cup tomorrow.

Harte was far below the form he showed in winning from the young Yale star, Charles S. Garland, in the semi-finals yesterday, and Williams did not have to exert himself. Harte made twenty double faults in the three sets.

JESS WILLARD SUE.
 Cleveland, O. July 30.—Suit was brought in common pleas court here today, against Jess Willard, former heavyweight champion of the world, Tex Rickard, fight promoter, and Frank G. Hall, moving picture promoter, by the Standard Film Service Company for \$5,000.
 It is charged in the suit that a theatre was sub-leased to the defendants for the exhibition of moving pictures of the Dempsey-Willard fight at terms of \$9,000 for two weeks. Because of the ban put upon the pictures in Ohio they were withdrawn after a day and a half with receipts of \$4,000.

LITTLE BITS OF SPORT CHATTER

Hamilton Tigers, Montreal A. A. A., Ottawa and Argonauts have decided to resume football on a pre-war basis. All the clubs will get started early and it is expected that the game will have its old time popularity.

The entries for the sports at Moosepath next Saturday have been closed. Those who have signified their intention of competing will do their best to make all the contests interesting. Some of the best athletes in the Maritime provinces will be present. Citizens should reserve Saturday afternoon and be in attendance at Moosepath.

Tom Sharkey, once a ring expert, is having great success betting on the horse races. He backed six straight winners in one day recently. He says that had he known about this game he would never have been a fighter.

That clever little Tacoma, Wash. bantamweight, George Thompson, who was in New York and Philadelphia a few years ago, intends to challenge Pete Herman for the bantamweight title. He scored wins over the most of the boxers he met while he was in the East.

Lovers of good sport should patronize the Y. M. C. I. effort to revive track athletics here. A fine list of entries has been received and the competitions should be keen. The best runners and jumpers will be there.

While on the matter of sport, what is the matter with the owner of the site of the proposed athletic field at Chevreton to Rockwood Park in Gilbert's Lane. It was supposed that this plot of ground would be made into an athletic field, but so far very little has been done in fitting up the place. This city needs a good field if it is ever expected to get on the map as a sports centre.

About nine hundred people turned out last evening to see the Custom House trim the Times baseball team. Baseball is certainly booming here just now. The Custom House has many players who have seen service overseas. Some of them can play baseball, too.

Custom House On Top In Baseball

Times' Team Were Clearly Out of Practice and Went Down to Defeat.

The ball players who have jobs in the Custom House defeated the players of the Times in a nine inning contest on Queen Square last night. The final score was eight to three. There were many interesting plays and the eight hundred spectators greatly enjoyed the different stages of the game. Ramsay and Garnett were the umpires and they had their work cut out. Many of the fine points of the game were staged and players were in doubt as to some of the rules but the umpires finally triumphed. Yeomans, for the Custom House, pitched a good game and from the first it was seen that he had the news-paper men thoroughly under control. McKernan for the losers was good but he lacked the necessary support.

The Times has the makings of a good team and it was no doubt that these two teams met again, although the Custom House players claimed that it was not their work to them to play up to their highest standard in last night's contest.

Notes of the Game.
 Too bad, "Hen" old man, better luck next time. He said, however, that he is able to be back to work this morning.
 Keith Harbour didn't have to run the bases he didn't have a chance but maybe he and Billy Brown are already forming partnership.
 Never mind Oie, even though you missed me in the centre you certainly broke the pitcher's heart alright. Maybe Eddie Ramsay will consider are scarce in the City League.
 Sage, Bartlett and Smith were certainly on the job for the Times men, and for Max well he is still "Working."

Lou Gorman had an All-Star suit on last night while playing for the Custom House, and he certainly lived up to the name. What's the use of saying any more.

FUR FROM FEATHERS.
 Much attention has been given recently to the problem of spinning feathers into thread. The difficulty has been to spin the feathers so that the down would be held in place during the dyeing and finishing process and not come out while in service. This particular problem now seems to have been solved, and one of the methods for spinning a suitable thread consists in blowing the down upon a centre, or core, thread, while the latter is being twisted. The result is that the down is caught up as the thread is being twisted and is held very firmly in place. This thread is not very handsome in itself, but when woven into cloth and the cloth is dyed, and finished by chemical means peculiarly suited to the material in hand, the result is a fabric which resembles fur, and which may appear one of these days under an assumed name.

A World's Record By Wilkes Brewer

The Fastest Sixth Heat Ever Trotted—Former Record Made by Esperanza at Toledo.

"Columbus, O. July 30.—Wilkes Brewer, winner of the unfinished 2,000 foot of yesterday, took a new world's record today in winning the sixth heat of this event in 2:05 1/2.

It was the fastest sixth heat ever trotted, lowering the record of 2:06 1/2, made at Toledo last year by Esperanza. Royal Mac was no match for his rival, being badly the last 100 feet of the race.

Ante Guy, making her first start of the year, won the 2:04 trot in straight heats from Bismark, who was driven by Geers in the absence of Frank Hedrick, who is still suffering from serious injuries at Toledo.

The great Symbol Baron, 2:04 1/2, owned by Chauncy Sears of Fall River, Mass., dropped dead this morning while Dick McMahon was working him on the track.

TOBACCO PROVED THE LARGEST SOURCE OF GOV'T REVENUE
 Ottawa, July 30.—During July war taxes collected by the Department of Inland Revenue totalled \$1,378,025. The total revenue of the department from all sources for the month was \$4,585,958, a large increase over the month of June, 1918, when the revenue amounted to \$2,869,530. The largest source of revenue for the month was tobacco, the excise taxes on which brought \$1,326,956 to the Dominion treasury.

ter in charge at the present time intends to secure the right of way of a lot to erect a monument and to swell the endowment to maintain the lot forever. To do this \$2,000 is required. Already a number of subscriptions in addition to those of Mr. Byrne and the Hon. Mr. Howel have been secured.

Career of the Hymn Writer.
 Joseph Scriven was born in Dublin in 1820, a graduate of Trinity College of that city with a degree of M. A. For four years he was a student at Addiscombe Military College, near London, England. He ultimately abandoned the army to come to Canada teaching school for a time until he became a private tutor to Mr. P. R. Fongally. For a long time he resided in the vicinity of Port Hope, Ont., where he spent several thousand dollars in assisting the sick, poor and needy and preached in the streets and at public gatherings. He died on August 19th, 1885, at the residence of the late Mr. and Mrs. James Sackville, Sr., near Bewdly, Ont. He is buried beside his intended wife, Miss Catherine Roach in the family burying ground of Capt. Fongally. He sleeps in a neglected grave with no monument of any kind marking his last resting place. His great hymn which is known in all Christian churches, his friends declare, to assure him of a fitting and permanent memorial.

THE VICTORY LOAN ISSUES ON MARKET AT LOW PRICE

Montreal July 30.—Victory Loan issues were again in supply, and most of them closed at the lowest price they have sold at for some time. We get reports that the next Canadian loan will be a taxable issue. Any person would naturally presume that these should be stronger, but we firmly believe that a large Dominion of Canada loan, if it is issued, that is taxable, will not meet with the success it should. We believe that people know this, and are selling these bonds with the idea that they will have to issue a non-taxable bond to get the money.

The market as a whole was steady. There was some selling of iron, on the President's statement that they will close down for a time.

There was a good demand for snailers. Montreal Power is still being picked up by investors. Spanish River common was in fair demand at 45. There seems to be a good many bank stocks for sale. Our market will likely mark time until we see what the Wall Street trend is going to be. The market in New York acted disappointingly today. U. S. Steel opened up strong on its good report, but sold off at the close.

McDUGALL & COWANS.

ELECTION OF PORTUGAL PRESIDENT AUG. 5TH
 Lisbon, July 30.—The election of a President of Portugal Republic will take place on August 5, was announced today.

President Castro resigned his office on June 4, but agreed to continue in the Presidency after the Portuguese Congress had voted to ask him to reconsider his action.

WOMEN ATTACKED IN BATHS.
 Information has been received by the London office of the Zionist organization of a pogrom at Chelm, where Polish troops attacked the Jewish women's baths.
 Though the women plunged into the water, the soldiers aiming their rifles at them, compelled them to come out again.
 Shooting and laughing, they attempted to drive the naked women into the streets. Those who resisted were badly beaten with whips and rifle butts.
