## FREDERICTON.

Fredericton, Oct. 23.-A. E. Massie, of this city, has accepted command of the new New Brunswick anny service corps,

with the rank of major. It is understood that A. E. Hanson has closed with the new Arctic Rink manat for a lease of the rink for the

agament for a lease of the rink for the coming winter. The two finest caribou heads seen here this season were received yesterday. They were taken by Dr. Codman, an eminent Boston surgeon, and Mrs. Codman at Artthur Pringle's camps on the Northwest Mirapichi. The antlers of both heads are beau tifully formed and on one of them there are no less than thirty-one points. Fred M. Tweedle, C. E., is to leave in a week or so for Princess Royal Island (B. C.), to take over the management of the gold mine in which a number of New Brunswickens are interested and to which he made a visit of inspection a few months acco.

in the case of the three men arrested re-cently in Woodstock and supposed to be the ones who burglarized the C. P. R. station at Edmandston. It is claimed by the men that they can prove an alibi and that they were employed digging pota-toes at Presque Isle for a farmer who will be present at the trial tomorrow. Anagance, N. B., Oct. 23-Mrs. Duncan McNanghton returned home last evening from Schodiac (Me.), where she had been visiting fier daughter, Mrs. Holmes. Mrs. Dunfield, of Corn Hill, a bride of only three weeks, was operated upon yes-terday for appendicitis. Christopher Smith, section foreman of this place left today to visit his error in

stantly killed. He was eighteen years old and came from St. John Thursday and shipped on the Prince Victor which sail-ed Friday morning. The body arrived last night on the tug boat Mascot and was interned in the Roman Catholic cemetery this afternoon. Chatham, N. B., Oct. 24—The Chatham Grammar School Corps was organized yes-terday afternoon under Major MacKen-zie, assisted by Capt. Mersereau. Eighty-one boys have already joined, and it is expected that many more members will be accepted at the next meeting, which will be held Tuesday afternoon. As the militia department is giving every encouragement to leader companies,

he made a visit of inspection a few monthe acto.
Michael Welsh despatched a large orew of men to his lumber camps on the southwest Miramichi, by the Gibson train this morning.
It is reported here that a resident of Gunter Landing, near Gagetown, attempted suicide last night by entiting his thron.
The report was brought to town by the crew of the Majestic.
Manager Scott of the Fredericton and Woodstock Steemboat Company, will start up river tomerrow with fram to clean projecting ends of fender bolts, and the listed over and sank. Jimmo had been orde ed by the dominion government.
Woodstock, N. B., Oct. 29–(Special)- IAn important case that occupied a good deal of time at the gressent sitting of the Supreme court before Judge Landry was disposed of this afternoon. John McKenzie vs. John Loane, action on account for \$2,100. the jury gave the plaintiff and F. B. Carvell for defendant.
Mansiel Kelly, and Moanhan, a C. P. R. detective, weat to Edmandston tody to give evidence at the trial tomorrow in the case of the thread and supposed to be to reme any setter of the Millerton Present at the gressent sitting of the Supreme court before Judge Landry was the supposed to this afternoon. John McKenzie vs. John Loane, action on account for \$2,100. the jury gave the plaintiff ar or defendant.

removal of the

Miss Emily Pearce, Little Buctouche; Miss Ethel Little, Kent Junction. The president, Geo. A: Coates, gave an opening address, followed by an address by Inspector Mensereau. Miss Crystal,

of the primary department of the

with lumber for the West Indies, shipped by G. D. Campbell & Co. Schr. Quickstep, Cupt. Longmire, has received her winter rig and is now taking in see for haddock trip. A number of vessels are loading wood and piling at Plympton for Gloucester, shipped by Capt. C. T. Warner. Digby, Oct. 26-Yesterday was a busy day along the water front at Digby and Annapolis. Tug. Lillie arrived here, at 7.30 Saturday night, with schooner Fos-ter Rice in tow. She remained here with her tow over night and left yesterday morning for Annapolis. She left Annap-olis at 2 o'clock in the afternoon for St. John, towing out the tern schooner H. B. John, towing out the tern schooner H. Homan, with lumber, from Annapolis the West Indies.

Mise Mazerall, teacher of the primary department of the Buctonche euperior school, read an excellent puper on How to Write Correctly. Mise Care opened the the West Indies. The schooner Harald, Capt. Irgens, was boarded by Pilot C. F. Lewis, master of the big Manna, and a Telegraph reporter at 7.45 yesterday morning off Point Prim Light, and was taken to Annapolis and docked at Whatman's wharf at 3 o'dlock in the afternoon. Capt. Irgens reports passing a wrecked vessel about 600 tons in lat. 37.29 N. and long. 74.52 W. Ion. part of forgenast and stanchions were above water. The derelict hid probably been drifting for some time. She is a dangerous obstruction to navigation. The Steamer Harald is from Baltimore for Aniscussion which then became quite get discussion which then became quite gen-eral. Mise Carruthers, principal of Bass River superior school, reid, a comprehensive pa-per on Nature Study, What Might be Done in Common Schools. The inspector opened the discussion on this paper, fol-lowed by many others. Before adjourn-ment, Dr. Inch took occasion to state officially that the subject of Teachers' Union could not be taken up in the in-stitute but that it the teachers wished to discuss the subject it must be done after adjournment. He expressed sympathy with the aim of the union but had grave doubte of the results to be obtained by any such action.

dangerous obstruction to navigation. The Steamer, Harald is from Baltimore for An napolis to load apples for London (Eng.) Schr. Oriole arrived at Annapolis yes terday with hard coal from New York.

TRURO.

Truro, Oct. 24-(Special)-Night dement Jones of Amhenst captured aloping couple in Wentworth Valley In the evening the Temperance Hall was packed to the doors, the president presided. The meeting opened with the chorus, With Our Oars. Inspector Mer-serean gave an interesting and instructive speech after which Miss Hudson and Miss Black cang the duet, Hope Beyond. Rev. J. F. Estey gave a short speech. Miss Black rendered the solo, The Palms, after which Dr. Inch spelce of the schools of the past, the present, its aims and its meede, and the hopes for the future. The meeting was brought to a close by the mational anthem. On Friday morning the institute assem-bled at 9 o'clock. The following resolution was unanimoisly passed by a standing vote and a gopy ordered to be forwarded to Mr. Smith: "We, the Kent County Teachens in Inred an day. The 17-years old daughter of a pro ed and her father and the police got on the track Thursday. She and her lover were found at the home of his relatives, near Wentworth station. The girl's lover followed her back to Oxford, where she was taken by the police and her father, James Little, teacher on the town staff, has given \$2,000 to the Eirst Presbyterian
