AYER'S Sarsaparilla

eures Rheumatism, Neuralgia, Rheuma tic Gout, General Debility, Catarrh, and all disorders caused by a thin and impoverished, or corrupted, condition of the blood; expelling the blood-poisons from the system, enriching and renewing the blood, and restoring its vitalizing power.

During a long period of unparalleled usefulness, AYER'S SARSAPARILLA has proven its perfect adaptation to the cure of all diseases originating in poor blood and weakened vitality. It is a highly concentrated extract of Sarsaparilla and other bloodpurifying roots, combined with Iodide of Potassium and Iron, and is the safest, most reliable, and most economical bloodpurifier and blood-food that can be used.

Inflammatory Rheumatism Cured. "AYER'S SARSAPARILLA has cured me of the Inflammatory Rheumatism, with which I have suffered for many years. W. H. Moore." Durham, Ia., March 2, 1882.

"Eight years ago I had an attack of Rheumatism so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPA-RILLA, by the use of two bottles of which I was completely cured. I have not been troubled with the Rheumatism since. Have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public.

E.F. HARRIS."

River St., Buckland, Mass., May 13, 1882. "Last March I was so weak from general debility that I could not walk without help. Following the advice of a friend, I commenced taking Aver's Sarsaparilla, and before I had used three bottles I felt as well as I ever did in my life. I have been at work now for two months, and think your Sarsaparilla the greatest blood medicine in the world.

James Maynard."

JAMES MAYNARD."

Dear Sir, -- I beg to s ate that the "Starr Kidney Pai" I bought from you entirely cured me of a very lame back with which I and been troubled for the past fifteen years. tried all the doctors around the section, and bought every known thing that has bee: recommended. I never received the slightest clief until I had worn the Pad about a month. From that time I have not had an ache or pain of any kint, and I can cheerfully recommend it to anyone suff-ring from a similar cause. I think it but right to make it known far and wide the good effects to be obtained from "The Starr Kilney Pad."
