

**MONSOON**

Is a pure,  
Healthful tea.

**MONSOON** Indo Ceylon **TEA**

Comes direct from the growers—with all the pristine qualities of a well-ripened, carefully picked, and perfectly cured tea; fully preserved in the sealed lead packets in which it is sold at the growers as the ideal tea.

**MONSOON.**

Goos further  
Than other teas.

There are  
Five grades of  
**Monsoon Tea,**  
The 25, 30,  
40, 50 and  
60 cent grades.  
All grow on  
And are  
Gathered from  
The same shrubs.  
The larger leaves  
On the lower branches  
Yield the  
25 cent grade,  
And the  
Choicest grades  
Are the  
Delicate tips  
Gathered nearer  
The top.  
The 40,  
50 and  
60 cent grades  
Are the  
Imperial grades—  
Perfect—  
Beyond comparison—  
In substance,  
Flavor and strength.

The ambrosial  
Flavor of  
**Monsoon Tea**  
Suggests absolute  
Purity.  
The rich,  
Sparkling glow  
Of its liquor  
Tells of true  
Ripeness,  
And the wholesome  
And refreshing  
Relish  
With which  
It charms  
Your taste,  
Proves how  
Perfectly the  
Natural bouquet  
And full  
Aromatic strength  
Of the  
Ripe sap  
Has been  
Preserved in the  
Monsoon leaf  
Through the  
Perfect Monsoon  
Process of "firing."
