

Save 10 Minutes a Day

How long does it take you to shave? You can reduce the time to 5 minutes with a Gillette Safety Razor, and every morning enjoy the coolest, cleanest and most satisfactory shave you could wish for.

After all, it is the **QUALITY** of the shave, rather than the speed that is all important, and while we could go on to show what a saving of ten minutes a day can mean to a busy man, we prefer to emphasize the opportunity for **DAILY** shaving that has helped so many men to attain success.
