Ottawa, March 26, 1926.

Major M.A. MacPherson, M.L.A.,
410 Westman Chambers,
Regina, Sask.

Dear Major MacPherson:

I have your letter of the 23rd instant.

Thanks for sending me Mr. Dunning's speech. Will read this over
in a day or so.

I regret exceedingly to hear of the situation
with regard to the leadership in Saskatchewan. Of course I had
learned previously of Dr. Anderson's resignation but was under
the impression that you had been virtually agreed upon as his
successor and that there was no question in any way about the
matter. However, I can easily understand your position.

I don't suppose one of us going out could do
very much to assist in this election. The men on the ground
know the situation a whole lot better than we do. Anyway it
would be impossible for me to go until the session was over.

Yours very truly,
