

their shares must be returned to the Department with the Pay List.

A List is enclosed of those members of the Band on whose account moneys were advanced by the Department to pay their indebtedness to merchants, and you should deduct from the Interest moneys of each Indian enumerated on said List $6\frac{1}{4}\%$ of the amount shown thereon to have been paid out on his account. The total amount of these deductions should be deposited in a Chartered Bank to the credit of the Receiver General on Indian account, and duplicate and triplicate certificates
