OTTAWA, 20th June, 1903

Sir,

In reply to your letter of the 1st instant addressed to Mr Inspector Macree on the subject of the dismissal of your son-in-law, who is farming instructor at the Regina Industrial school, I beg to say that the Department has nothing to do with appointments and dismissals in connection with the staff of this school, which is carried on by the Missionary Society of the Presbyterian Church. As, however, you consider an injustice has been done your son-in-law, the Department will make enquiries into this matter.

Your obedient servant,

Leaust Sedley
Deputy Superintendent General
of Indian Affairs

Toronto, Ont. M.D.
