

22  
Battleford, Sask.,

December 10th

7

I beg to advise you that the Farm Instructor at Thunderchild, after waiting for you for two weeks, started the threshing outfit and had a breakdown. I would like to have you set a date, any time after this week, when we can meet at Mervin and go and examine the machine.

Yours truly,

Indian Agent

H. Bird Esq.,

Radisson,

Sask.
